REPORT OF THE HEAD OF ENVIRONMENTAL REGENERATION

**CONFIRMATION OF TREE PRESERVATION ORDER 27 OF 2006 ON
LAND AT BROWNHILLS WEST METHODIST CHURCH, SEVERN ROAD,
WS8 7LB.**

1. PURPOSE OF REPORT

To seek the confirmation of the Tree Preservation Order No 27 of 2006.

2. RECOMMENDATIONS

The Committee is recommended to:

- (i) Confirm the Walsall Tree Preservation Order No 27 of 2006 in a modified form. A plan showing the Tree Preservation Order is attached to this report.
- (ii) Support the reasons for making the Tree Preservation Order set out in paragraph 1.1.
- (iii) Note that no representations have been received in respect of this Tree Preservation Order.

3. FINANCIAL IMPLICATIONS

Within budget, in general, new Tree Preservation Orders generate additional applications for consent and increase officers' workload.

4. POLICY IMPLICATIONS

Within Council policy – YES

5. LEGAL IMPLICATIONS

The owners and future owners of this site will be required to apply for Council permission if they wish to fell or prune any tree protected by the Tree Preservation Order. Failure to do this renders anyone carrying out unauthorised works to trees liable to criminal proceedings.

6. **EQUAL OPPORTUNITY IMPLICATIONS**

NOT APPLICABLE

7. **ENVIRONMENTAL IMPACT**

The management of Walsall's tree cover through the administration of the Tree Preservation Order system has positive implications in protecting trees for their visual and environmental benefits. Removal of protected trees is often necessary because trees have a finite lifespan and may also cause nuisance or damage. In these instances the Council has to decide whether the removal of protected trees is justified. In the event that felling a tree is permitted, the Council can secure replacement planting to maintain tree cover.

8. **WARD(S) AFFECTED**

The Tree Preservation Order 27 of 2006 is located within Brownhills Ward.

9. **CONSULTEES**

Owners and near neighbours were sent copies of the Tree Preservation Order and invited to make representations to the Council in either opposition or support of this Tree Preservation Order. Any response is described within the report.

10. **CONTACT OFFICER**

DEVELOPMENT CONTROL COMMITTEE: –

CONFIRMATION OF TREE PRESERVATION ORDER 27 OF 2006 ON LAND AT BROWNHILLS WEST METHODIST CHURCH, SEVERN ROAD, WS8 7LB.

1.0 **REPORT DETAIL.**

- 1.1 The Tree Preservation Order No 27 of 2006 was made on 27 June 2006. The trees are visually prominent in the street scene and were protected for the following reasons:
- The trees form a prominent landscape feature in the local area and will continue to provide an important item of landscape quality in the future
 - The trees add to the amenity and diversity of the immediate area
 - The trees are at risk from development currently proposed in planning application 06/0301/FL/E9 and making an emergency Tree Preservation Order will discourage premature removal of important trees.
 - Some trees have already been lost very recently in this vicinity
 - The Council's Unitary Development Plan identifies policies for protection of the trees and green spaces
- 1.2 The minimum six week period allowed for objection to the Order expired on 8 August 2006. No responses have been received.
- The Tree Preservation order has been modified from an Area Order to a more defined Individual and group Order for accuracy
- 1.3 The Committee is therefore recommended to confirm Tree Preservation Order No 27 of 2006 in a modified form.
