DEVELOPMENT CONTROL COMMITTEE: –

28 October 2008

REPORT OF THE HEAD OF REGENERATION – DEVELOPMENT AND DELIVERY

**CONFIRMATION OF TREE PRESERVATION ORDER 53 OF 2007 ON LAND AT ALMA STREET AND SCHOOL STREET, DARLASTON WS10 8DL**

**1. PURPOSE OF REPORT**

To seek the confirmation of the Tree Preservation Order No 53 OF 2007.

**2. RECOMMENDATIONS**

The Committee is recommended to:

- (i) Confirm the Walsall Tree Preservation Order No 53 of 2007 in an unmodified form. A plan showing the Tree Preservation Order is attached to this report.
- (ii) Support the reason for making the Tree Preservation Order set out in the report detail, paragraph 1.1.
- (iii) Note that no representations have been received in respect of this Tree Preservation Order.

**3. FINANCIAL IMPLICATIONS**

Within budget, in general, new Tree Preservation Orders generate additional applications for consent and increase officers' workload.

**4. POLICY IMPLICATIONS**

Within Council policy – YES

**5. LEGAL IMPLICATIONS**

The owners and future owners of this site will be required to apply for Council permission if they wish to fell or prune any tree protected by the Tree Preservation Order. Failure to do this renders anyone carrying out unauthorised works to trees liable to criminal proceedings.

6. **EQUAL OPPORTUNITY IMPLICATIONS**

NOT APPLICABLE

7. **ENVIRONMENTAL IMPACT**

The management of Walsall's tree cover through the administration of the Tree Preservation Order system has positive implications in protecting trees for their visual and environmental benefits. Removal of protected trees is often necessary because trees have a finite lifespan and may also cause nuisance or damage. In these instances the Council has to decide whether the removal of protected trees is justified. In the event that felling a tree is permitted, the Council can secure replacement planting to maintain tree cover.

8. **WARD(S) AFFECTED**

The Tree Preservation Order 53 of 2007 is located within Darlaston South Ward.

9. **CONSULTEES**

Owners and near neighbours were sent copies of the Tree Preservation Order and invited to make representations to the Council in either opposition or support of this Tree Preservation Order. Any response is described within the report.

10. **CONTACT OFFICER**

Cameron Gibson - Extension: 2453

11. **BACKGROUND PAPERS**

File PD1/17/820 relating to Tree Preservation Order No 53 of 2007.

HEAD OF REGENERATION – DEVELOPMENT AND DELIVERY

DEVELOPMENT CONTROL COMMITTEE: –

28 October 2008

CONFIRMATION OF TREE PRESERVATION ORDER 53 of 2007 ON LAND AT ALMA STREET AND SCHOOL STREET, DARLASTON WS10 8DL

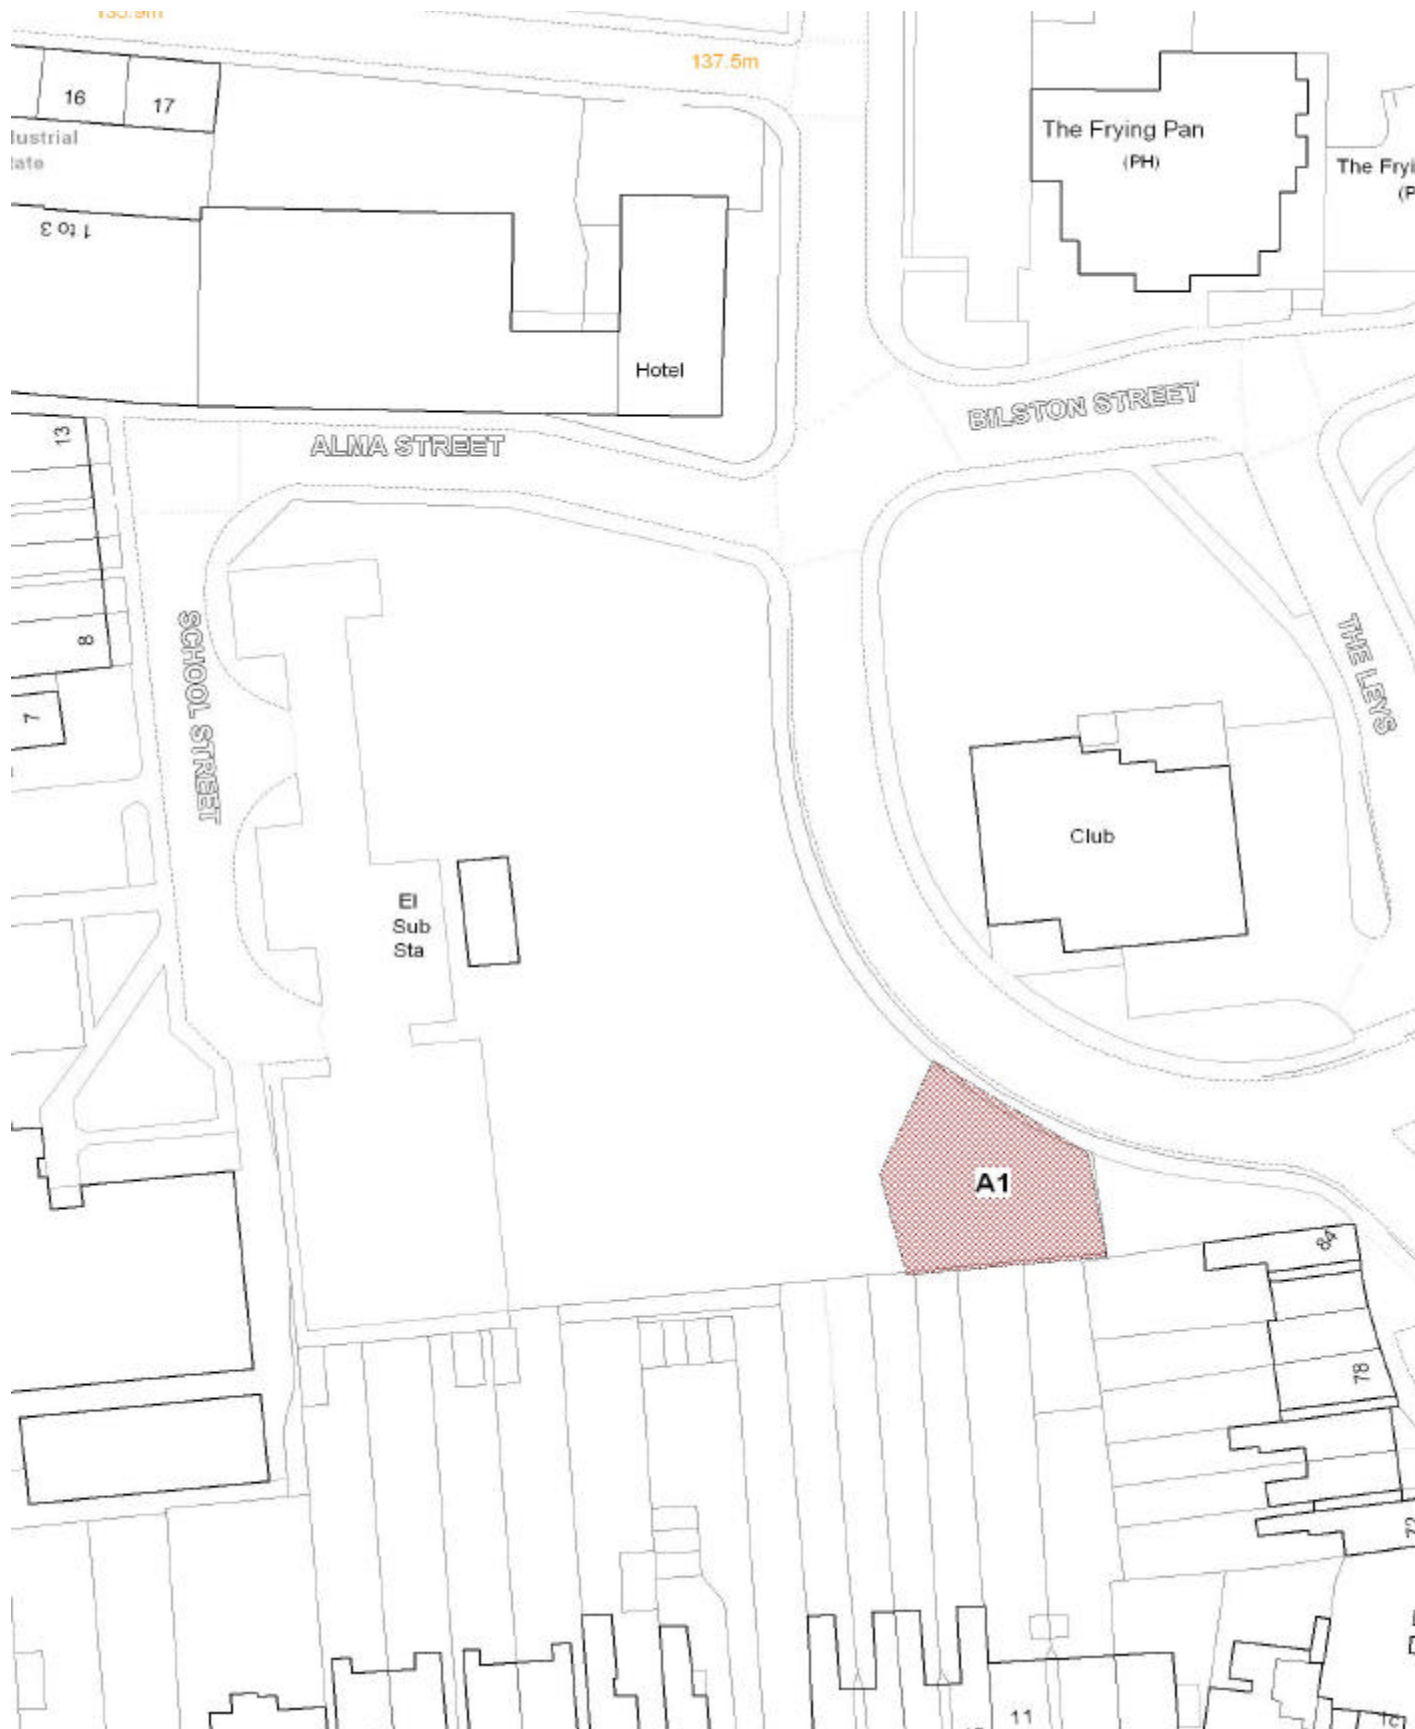

1.0 **REPORT DETAIL.**

1.1 The Tree Preservation Order No 53 of 2007 was made on 18 December 2007. The trees are visually prominent in the street scene and were protected for the following reasons:

- The trees form a prominent landscape feature in the local area and will continue to provide an important item of landscape quality in the future
- The trees add to the amenity and diversity of the immediate area
- The trees are at risk from a Planning Application ref 07/2348/FL/W6 and making an emergency Tree Preservation Order will discourage the loss of important trees.
- The Council's Unitary Development Plan identifies policies for protection of the trees and green spaces

1.2 The minimum six week period allowed for objection to the Order expired on 29 January 2008. No responses have been received.

1.3 The Committee is therefore recommended to confirm Tree Preservation Order No 53 of 2007 in unmodified form.
