

Scrutiny Overview Committee

Agenda Item No. 6

6 July 2015

Areas of focus for 2015/16

Ward(s) All

Portfolios: All

Report:

The Scrutiny Overview Committee has the remit to lead on the planning and co-ordination of the programme of activities and in depth studies of the three Overview and Scrutiny Committees.

The purpose of this item is to provide Members with a list of areas which each of the three scrutiny committees have agreed to consider during the 2015/16 municipal year.

A table detailing the areas of focus of the Education and Children's Services Scrutiny Committee is provided as appendix 1 to this report. The areas of focus for the Social Care and Health Scrutiny Committee will follow as it is not scheduled to meet until 2nd July, 2015. The Corporate and Public Services Scrutiny Committee deferred consideration of the areas of focus item at its meeting held on 18th June, 2015. A special meeting has been arranged to consider the item on 27th July, 2015.

Recommendations:

That Member's consider the range of issues identified for review by each of the scrutiny committees.
