FORWARD PLAN

The forward plan sets out decisions that are termed as “key decisions” which the Executive (Cabinet) intend to take over the following 4 months. Preparation of the forward plan helps the Council to programme its work. The purpose of the forward plan is to give plenty of notice and an opportunity for consultation on the issues to be discussed. The plan is updated each month with the period of the plan being rolled forward by one month and republished. The plan is available for public inspection at the Civic Centre Reception, Darwall Street, Walsall. Copies of the plan can be obtained from John Garner, Constitutional Services, Walsall MBC, Civic Centre, Darwall Street, Walsall, WS1 1TP, 01922 653500 or e-mail cabinetoffice@walsall.gov.uk. The forward plan can also be accessed from the Council’s website at www.walsall.gov.uk. The Cabinet are allowed to make urgent decisions which do not appear in the forward plan.

Please note that the decision dates are indicative and are subject to change. Please contact the above addressee if you wish to check the date for a particular item.

The Cabinet agenda and reports are available for inspection by the public 7 days prior to the meeting of the Cabinet. The papers can be seen at First Stop Shop at the Civic Centre, Walsall. The papers are also available on the Council’s website referred to above shortly before the meeting. Background papers are listed on each report submitted to the Cabinet and members of the public are entitled to see these documents unless they are confidential. The report also contains the name and telephone number of a contact officer. These details can also be found in the forward plan.

Meetings of the Cabinet are open to the public and take place in Conference Room 2 at the Council House, Walsall on a monthly basis. Occasionally there are items included on the agenda which are confidential and for those items the public will be asked to leave the meeting.

The forward plan does not list all decisions which have to be taken by the Council only “key decisions” which are those decisions which have a significant effect within the community or which involve considerable expenditure or savings. The Council’s Constitution defines a key decision as an executive decision which is likely:

- “(1) to result in the Council in incurring expenditure which exceeds that included in any approved revenue or capital budget or the limits set out within an approved borrowing or investment strategy and was not the subject of a specific grant;
- (2) to result in the Council incurring expenditure, or the making of savings, which are equivalent to or more than 5% of any approved revenue budget or 10% of any capital budget, whichever is the lower, subject to a de minimus level of £50,000;
- (3) to be significant in terms of its direct effects on communities in an area comprising two or more wards in the Borough.”
