REPORT OF HEAD OF PLANNING, ENGINEERING AND TRANSPORTATION

Section 106 Report – Financial Year 2015/16

1. PURPOSE OF REPORT

- i) To advise Members of the out turn information relating to completed Planning Obligations (section 106 agreements/unilateral undertakings/supplemental deeds of variation) that have been negotiated with planning permissions that were granted between 1st April 2015 to 31st March 2016.
- ii) To show a break down of the number of affordable houses negotiated and the level of contributions collected and due to be collected subject to the commencement of developments related to education, open space, health and other requirements.

2. **RECOMMENDATIONS**

i) That the Committee notes the report.

3. FINANCIAL IMPLICATIONS

The briefing of members as to the outcome of individual Planning Obligations together with the total sums collected within the year will help inform and assure members of the accounting probity and monitoring that is being followed by officers.

4. POLICY IMPLICATIONS

Within Council policy. All planning applications relate to local and national planning policy.

5. **LEGAL IMPLICATIONS**

Planning Obligations are primarily negotiated as part of the determination of planning applications in accordance with the National Planning Policy Framework 2012 (NPPF), Community Infrastructure Levy Regulations 2010 (Regulation 122), policy DEL1 of the Black Country Core Strategy, policy GP3 of Walsall Unitary Development Plan and adopted Supplementary Planning Documents.

6. **EQUALITY**

No issues arising from the report. The Development Management services have completed Equality Impact Assessments and are accredited to be in compliance.

7. **ENVIRONMENTAL IMPACT**

The impacts of planning decisions on the environment are considered as part of the consideration of the planning applications in accordance with local and national planning policies.

8. WARD(S) AFFECTED

All.

9. **CONSULTEES**

11. BACKGROUND PAPERS

All published.

Steve Pretty, Head of Planning, Engineering and Transportation

- 1. This is the final in a series of quarterly reports covering financial year 2015/16. The report will subsequently be made available to all members for information. It provides a summary of all Planning Obligations (Section 106 Agreements/Unilateral Undertakings/Supplemental Deeds) that have been secured as part of the determination of planning applications in accordance with adopted policy of the Council. These details are set out in the attached appendices and Members will note that the information has been broken down into the various types of contributions.
- 2. Section 106 of the Town & Country Planning Act 1990 enables developers to submit unilateral undertakings, or local authorities to reach agreements with developers, for certain works to be carried out in association with a development. The Community Infrastructure Levy Regulations 2010 (Regulation 122) sets out a statutory requirement that Planning Obligations must be necessary to make the proposed development acceptable in planning terms; relevant to planning; and directly related in scale and kind to the proposed development. They must also be reasonable in all other respects.
- 3. The Council is required to comply with the National Planning Policy Framework (NPPF), Community Infrastructure Levy Regulations 2010 (as amended), policy DEL1 of the Black Country Core Strategy (BCCS) and policy GP3 of the Unitary Development Plan (UDP) when seeking developer contributions. The NPPF encourages Local Planning Authorities to be flexible when seeking Planning Obligations to prevent development being stalled, an approach that Walsall Council's Development Management service has already been taking over the last few years to facilitate development in the Borough and will continue to do so where necessary.
- 4. The Government views planning obligations as useful instruments where they are necessary to a proposed development to overcome obstacles that would otherwise result in the refusal of planning permission. They must not be used to effectively buy planning permissions.
- 5. From 1st April 2015 the Government has introduced restrictions under the Community Infrastructure Regulations on the number of Section 106 contributions that can be pooled to fund an individual "infrastructure project or type of infrastructure". From 1st April no more than 5 Section 106 contributions (including from agreements completed since April 2010) can be pooled to fund each individual infrastructure project or type of infrastructure. Service areas receiving contributions will need to be mindful of this when planning their expenditure whilst ensuring they are still expended in accordance with the requirements set out in each legally binding completed S106 Agreement. Affordable Housing is not currently defined as infrastructure for the purposes of the Community Infrastructure Levy and contributions for off-site affordable housing do not therefore fall under the pooling restrictions, so they can continue to be secured through S106.
- 6. The Pre-Submission Proposed Modifications stage of consultation on Walsall CIL started on Monday 7th November and ran until 5pm Monday 19th December 2016, following Cabinet approval on 27th July 2016. If adopted CIL, likely to be a charge on new residential and larger retail developments, will largely replace the use of Section 106 to help fund the boroughs infrastructure providing greater flexibility on how developer contributions are spent in order to best support development.

- 7. 8 Planning Obligations were completed in 2015/16 totalling £307,244.00. Of this, £73,458.00 has been received to date and transferred to the relevant service areas for expenditure as set out in Appendix A.
- 8. No on-site affordable housing units were secured during 2015/16.
- 9. One Supplemental Deed was completed during 2015/16 relating to the Former Neptune Public House, Bilston Lane, Willenhall (reference 05/1566/OL/W3) to provide an off-site affordable housing contribution of £65,000.00 in lieu of the previously agreed on-site affordable units.
- 10. In comparison, 6 Planning Obligations were completed in 2014/15 totalling £346,539.79 of which £177,601.71 has been received to date and transferred to the relevant service areas for expenditure. Also, a total of 15 on-site affordable housing units were secured during 2014/15.
- 11. The updated expenditure of received open space contributions as at March 2016 is provided in Appendix B.
- 12. We are awaiting a further update from Walsall Children's Services and this will be reported when the information is received.
