1	Threats to the Economic Growth of Walsall are not identified and mitigated, together with opportunities for sustainable growth being missed. <ul style="list-style-type: none">• Loss of EU funding compromising coverage of strategic objectives in inclusive growth, jobs and skills.• Economic uncertainty weakens the investment market and the opportunities for our residents to secure sustainable employment.• Continued uncertainty around the cost of living and any as to the ongoing effects of the Covid-19 pandemic.• Business Rate income under threat as a result of weakening markets and reducing business confidence.• Change in shopping habits threatening town and district centres.• Insufficient land available for development.• Insufficient funding to bring all brownfield land back into the marketplace.• Uncertainty over future capital funding to enable development.• Enterprise Zones reverting to Local Authorities of geographical origin at 31 March 2025, resulting in smaller share of consolidated surpluses for Walsall.• Interpretation and distribution of the UK Shared Prosperity Fund (UKSPF).• Lack of pipeline development which will limit Walsall's opportunities to secure funding. <i>The effect would be reduced future income streams for the council, increased unemployment and reliance on services from the community, reduced aspirations for the next generation.</i>	Economic Growth Executive Director Economy, Environment & Communities	Existing Controls: <ul style="list-style-type: none">• Reviewing investment options for development sites.• Economic Growth Programme continuing to March 2023.• Strategies and Policies in place.• Single Accountable Body status implemented from Feb 2020. <i>Assurances: Government has issued the Future High Streets Fund and the Town Deal and the Levelling up fund. Walsall has secured £11.4m from FHSF, has been allocated £41.6M from the Town Deal pot, and has just been successful in securing £20m in Round 2 of LUF.</i> <i>Site Allocation Document and Area Action Plan adopted by Walsall Council.</i> <i>Pipeline development plan has been developed and addressed through close working with Combined Authority and LEP and alignment with Walsall's capital programme</i> <i>Delivery of Town Centre Masterplan will address vulnerability of town centre economy.</i>	Current Score				1) We continue to engage with central government funding streams whether directly through LAs e.g. Levelling Up Fund or managed through the WMCA, including the latest brownfield funding. Further place making interventions to be funded through UK Shared Prosperity Fund and Commonwealth Games Legacy Fund 2) Continued promotion of investment opportunities in a range of media, including Walsall Town Centre, Walsall to Wolverhampton Corridor and Junction 10 cluster as priorities in West Midlands Investment Prospectus. Developing the narrative of the Walsall to Willenhall corridor and delivering investor workshops to stimulate the market 3) Walsall Council as the Single Accountable Body for LEP Legacy funds will manage EZs up to the point of reversion back to LAs at March 25. The Black Country Collaboration Agreement is being updated to ensure that agreements to share legacy funds, including a fair settlement with Wolverhampton Council in relation to the North EZ are legally binding. 4) Developing the transformative town centre Connected Gateway scheme and Town Deal projects which contribute to the repurposing of the town centre and diversification of the economy. 5) Plans to market Walsall Town Centre with its own branding to increase real estate values, lift the mood, and promote Walsall as a prosperous place to live, work and play. 6) Work with CA and partners to identify and bring forward employment sites and include within investment propositions for the town. 4b	Adult Social Care The risk of being unable to maintain service standards to support the most vulnerable in the Borough continues to provide some challenges at this time due to increased demand on adult social care. Safeguarding demand continues to be prioritised and referrals screened and progressed to a safeguarding enquiry where appropriate. Immediate risk management plans are put into place where possible, with the aim to reduce risk and immediate visits scheduled where the risk is to be considered high or further information is needed to be obtained to ensure the welfare of the citizen. Whilst the numbers of safeguarding referrals remains in line with 2021/22, the complexity of situations is apparent. There is an increase of referrals relating to self-neglect and domestic abuse and these are areas of focus and key priority for the safeguarding partnership. ASC continue to work within the statutory duties outlined in the Care Act 2014, and other legislative frameworks including the Mental Capacity Act, Mental Health Act and Human Rights Act.	People Executive Director Adult Social Care	Existing Controls <ul style="list-style-type: none">• Ongoing focus, training, development and audit to ensure staff are developing safe, effective practice• Active engagement and partnership working within the safeguarding partnership.• Development of strategy, action & delivery plans to respond to the changing needs of the Borough• Staff are evidencing embedding of strengths-based practice and defensible decision making which is evident through internal and multi-agency adult activity. Recent independent audit of 100 case files concluded – 70% of cases are good or excellent with learning identified from the audit.• Ongoing monitoring of demand and capacity to ensure this activity is prioritised and resourced appropriately. Additional agency staff supporting access team following an increase in safeguarding concerns being raised.• Launch of new risk enablement tools April 2020 to evidence decision making rationale in response to safeguarding concerns.• Clear learning and development offer in place for all staff to ensure staff are upskilled and able to meet the needs of the citizens and achieve best practice outcomes.• Safeguarding is a key priority and statutory duty within the Care Act for the local authority. <i>Assurances:</i> <ul style="list-style-type: none">✓ Ongoing programme of internal and multi-agency audits in place to provide assurance and inform action plans.✓ Staff supervision and management oversight of case work.✓ Oversight from the safeguarding partnership through forums such as practice quality assurance meeting.	Current Score				We continue to work in partnership with the Walsall safer partnership to address challenges such as exploitation, violence reduction and domestic abuse. A new post of exploitation SW is being created to support this agenda. Business case completed to extend additional resources in the Access team to tackle backlogs and reduce risk.	“Front door” new arrangements to be proposed by Summer 2023 MAST – TBC, some slippage due to partner agencies.				
				4	4	16	Red ↔						
				Target Score				4		2	8	Amber	A programme of transformation will consider the business needs through the CAM workstream, but also look to how we can strengthen adult safeguarding. Information sharing systems (MAST/Graphnet) continue to be developed which would enhance existing systems.

10	Business Continuity Management Failure to deliver key services in the event of significant business interruption, including services delivered by contractors and partners. Potential causes include loss of: <ul style="list-style-type: none"> key staff (skills, knowledge and/or capacity); telephone systems; ICT system; buildings; and utilities. Potential effects include failure to: <ul style="list-style-type: none"> provide essential services to vulnerable residents; maintain essential infrastructure; pay staff, suppliers, and contractors; communicate internally and/or externally; and meet constitutional requirements. 	ALL Executive Director Economy, Environment & Communities	Existing Controls: The Council's business continuity strategy includes the following: <ul style="list-style-type: none"> A Business Continuity section should be included in all Service's 'Programmes of Work' to ensure that their Business Continuity Plans are reviewed on a biannual basis. Implementation of Business Continuity Management within Walsall Council is being led by the Resilience Team. A detailed project monitoring sheet will be maintained and updated by the Resilience Team for each Directorate. A programme of awareness, validation and audit of all Business Continuity Plans exists to verify the arrangements and review the assumptions upon which the BCP was written. Each Team/Service within will be required to maintain a Business Continuity Plan, including a Business Impact Assessment to identify and prioritise their functions, back up locations and Action Cards detailing required resources. A system is in place to record BCP activations and lessons learned. Further details can be found here: http://int.walsall.gov.uk/Service_information/Resilience_Unit/Business_Continuity_Management Assurances: <i>The strategy includes a programme of awareness, validation and audit of all BCPs to verify the arrangements and review the assumptions upon which the BCP was written.</i> <i>An internal audit was completed in March 2022. The key findings were moderate assurance on system design and limited assurance on effective controls. There are 5 medium priority recommendations which are listed in the further actions section.</i>	Current Score				1) Review and update of business continuity strategy. New approach will reduce the number of individual plans from 92 to around 15. 2) Updating of business impact assessments and recovery plans, in line with revised strategy (one per director).	March 2023
				4	3	12	Red ↔		March 2023

11	Climate Change Failure to achieve climate change objectives <ul style="list-style-type: none"> Walsall Council to be net-zero by 2041 WMCA – Net zero carbon economy by 2041 Black Country – Industrial decarbonisation by 2040 	ALL Executive Director Economy, Environment & Communities	Existing Controls: The council revised its climate change ambitions in October 2022. It had been working towards carbon net zero by 2050. The new target is for the borough to be net-zero by 2041. Therefore, a new action plan is required. The current five-year action plan identifies actions up to 2025 and focussed on Scope 1 (direct emissions from owned/controlled sources) and Scope 2 emissions (indirect emissions from the generation of purchase energy) under the themes of: <ul style="list-style-type: none"> Strategy Energy Waste & Consumption Transport Nature Resilience & Adaptation All Cabinet and CMT reports to reference Climate Change implications Note: Scope 3 – other indirect emissions from within the council supply chain are not included in the current action plan but will be required to achieve the new target. Assurances: An Internal Audit was carried out prior to the change in target outlined above.	Current Score				Key actions in current plan include: <ul style="list-style-type: none"> Working towards Net Zero through the Strategic Asset Plan (reducing energy consumption / producing our own energy) Replacing streetlights with LED by December 2024. Waste strategy to reducing waste and increase recycling (new HWRC by 2025). Decarbonisation of the Council fleet by 2030. Tree planting – one for every resident by 2030. Sustainable design and future planning policies (housing and transport). Annual 'Climate Emergency Action Plan' report to Cabinet and Economy and Environment Overview and Scrutiny Committee. A baseline CO ₂ emissions report has been completed, and an annual report will document progress. A partnership forum has been formed with Walsall Proud Partners. The 2023/24 budget includes funding for dedicated climate change officers to develop the new action plan.
