Audit Committee – 19 February 2018

External Audit - Audit Planning Report for the Year Ending 31 March 2018

Summary of the Report

This report provides the Audit Committee with details of our External Auditors, Ernst & Young's, audit plan for the financial year ending 31 March 2018. It details the planned audit strategy driven by an assessment of the key issues and significant risks that could affect the accounts. See Appendix 1.

The plan covers the work to be undertaken to provide the council with an opinion on the financial statements together with the value for money conclusion.

Background Papers

Internal Audit reports/monitoring information.

Recommendations

Audit Committee are recommended to review and note the report.

James T. Walsh – Chief Finance Officer

6 February 2018

Governance Issues, Resource and Legal Considerations

Ernst & Young are the council's independent external auditors. Outcomes from their work will assist the council in maintaining strong governance arrangements.

Performance and Risk Management Issues

Performance and risk management is embedded in the council's processes.

Equality Implications

None directly related to this report.

Walsall Metropolitan Borough Council Audit planning report Year ended 31 March 2018

February 2018

Private and Confidential

February 2018

Dear Audit Committee Members

Audit planning report

We are pleased to attach our Audit Plan which sets out how we intend to carry out our responsibilities as auditor. Its purpose is to provide the Audit Committee with a basis to review our proposed audit approach and scope for the 2017/18 audit in accordance with the requirements of the Local Audit and Accountability Act 2014, the National Audit Office's 2015 Code of Audit Practice, the Statement of Responsibilities issued by Public Sector Audit Appointments (PSAA) Ltd, auditing standards and other professional requirements. It is also to ensure that our audit is aligned with the Committee's service expectations.

This plan summarises our initial assessment of the key risks driving the development of an effective audit for the Council, and outlines our planned audit strategy in response to those risks.

This report is intended solely for the information and use of the Audit Committee and management, and is not intended to be and should not be used by anyone other than these specified parties.

We welcome the opportunity to discuss this report with you as well as understand whether there are other matters which you consider may influence our audit.

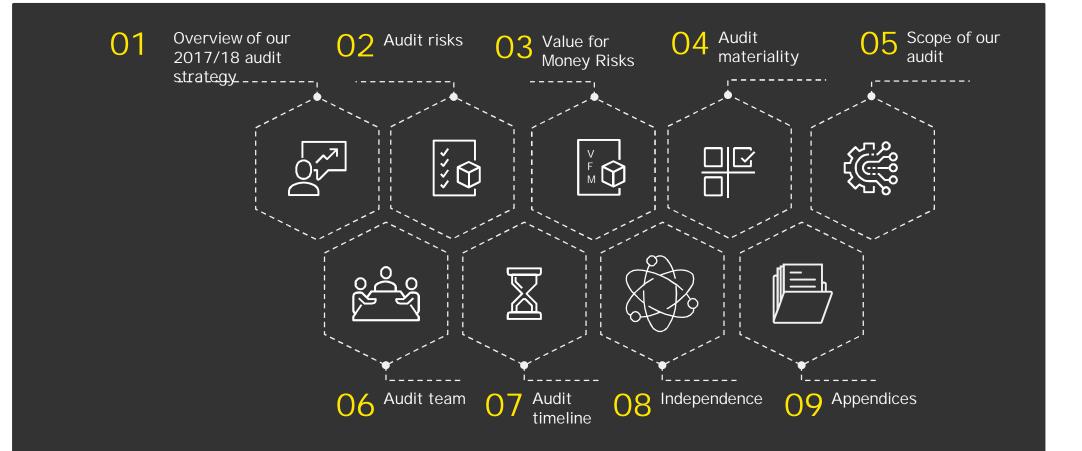

Yours faithfully

Hassan Rohimun

For and on behalf of Ernst & Young LLP

Enc

Contents

In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued "Statement of responsibilities of auditors and audited bodies". It is available from the via the PSAA website (<u>www.PSAA.co.uk</u>). The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The "Terms of Appointment (updated February 2017)" issued by the PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and in legislation, and covers matters of practice and procedure which are of a recurring nature.

This report is made solely to the Audit Committee and management of Walsall Metropolitan Borough Council in accordance with the statement of responsibilities. Our work has been undertaken so that we might state to the Audit Committee, and management of Walsall Metropolitan Borough Council those matters we are required to state to them in this report and for no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the Audit Committee and management of Walsall Metropolitan Borough Council those matters we are required to state to them in this report and for no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the Audit Committee and management of Walsall Metropolitan Borough Council for this report or for the opinions we have formed. It should not be provided to any third-party without our prior written consent.

01 Overview of our 2017/18 audit

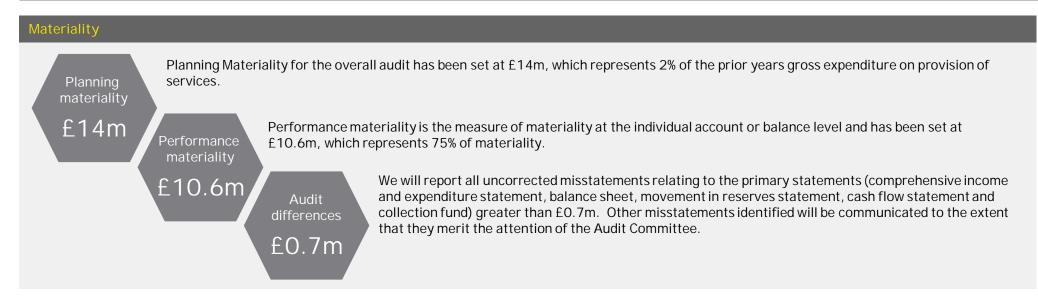

Overview of our 2017/18 audit strategy

The following 'dashboard' summarises the significant accounting and auditing matters outlined in this report. It seeks to provide the Audit Committee with an overview of our initial risk identification for the upcoming audit and any changes in risks identified in the current year.

Audit risks and areas of focus

Risk / area of focus	Risk identified	Change from PY	Details
Risk of fraud in revenue and expenditure recognition	Fraud risk*/ Significant risk	No change in risk or focus	Under ISA 240 there is a presumed risk that revenue may be misstated due to improper revenue recognition. In the public sector, this requirement is modified by Practice Note 10 issued by the Financial Reporting Council, which states that auditors should also consider the risk that material misstatements may occur by the manipulation of expenditure recognition.
Risk of management override	Fraud risk/ Significant risk	No change in risk or focus	As identified in ISA 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that would otherwise appear to be operating effectively.
Valuation of Property, Plant & Equipment	Significant Risk	No change in risk or focus	The Council holds £578million in Property, Plant and Equipment on its balance sheet, of which a large proportion is held at fair value which is based on significant judgements. In addition, the Council has appointed a new valuer for 2017/18.
Valuation of the LGPS Pension Liability	Inherent Risk	No change in risk or focus	The Council is a member of the Local Government Pension Scheme (LGPS), administered locally by Wolverhampton City Council. The net pension liability was £617million as at 31 March 2017.
Valuation of Birmingham Airport Shareholding	Inherent Risk	No change in risk or focus	The Council owns 4.88% of Birmingham Airport Holdings 320 million ordinary shares, valued at £23.6million at 31 March 2017. The shares are revalued annually using a financial model based on specific judgements.
Faster Close	Inherent Risk	New area of risk	The Accounts and Audit Regulations 2015 introduced a significant change in statutory deadlines from the 2017/18 financial year. The timetable for the preparation and approval of accounts will be brought forward with draft accounts needing to be prepared by 31 May and the publication of the accounts by 31 July.

Audit scope

This Audit Plan covers the work that we plan to perform to provide you with:

- § Our audit opinion on whether the financial statements of Walsall Metropolitan Borough Council give a true and fair view of the financial position as at 31 March 2018 and of the income and expenditure for the year then ended; and
- § Our conclusion on the Council's arrangements to secure economy, efficiency and effectiveness.

We will also review and report to the National Audit Office (NAO), to the extent and in the form required by them, on the Council's Whole of Government Accounts return.

Our audit will also include the mandatory procedures that we are required to perform in accordance with applicable laws and auditing standards.

When planning the audit we take into account several key inputs:

- § Strategic, operational and financial risks relevant to the financial statements;
- § Developments in financial reporting and auditing standards;
- § The quality of systems and processes;
- § Changes in the business and regulatory environment; and,
- § Management's views on all of the above.

By considering these inputs, our audit is focused on the areas that matter and our feedback is more likely to be relevant to the Council.

02 Audit risks

Our response to significant risks

We have set out the significant/fraud risks identified for the current year audit along with the rationale and expected audit approach. The risks identified below may change to reflect any significant findings or subsequent issues we identify during the audit.

	What is the risk?	What will we do?
Risk of fraud in revenue and expenditure recognition	Under ISA (UK and Ireland) 240 there is a presumed risk that revenue may be misstated due to improper recognition of revenue. In the public sector, this requirement is modified by Practice Note 10, issued by the Financial Reporting Council, which states that auditors should also consider the risk that material misstatements may occur by the manipulation of expenditure recognition. Having considered the factors for expenditure recognition, we believe the risk is focused on the year-end balance sheet and in particular the completeness and valuation of creditors and the existence and valuation of debtors. We also believe the risk is linked to the existence of capital expenditure arising from the potential to incorrectly capitalise revenue expenditure.	 We will: Review and test expenditure recognition policies. Review and discuss with management any accounting estimates on expenditure recognition for evidence of bias. Test the valuation of any provisions recorded in the financial statements and perform appropriate tests to consider whether all material provisions have been recognised. Develop a testing strategy to test material debtors and creditors. Develop a testing strategy to test whether the Council has inappropriately capitalised revenue expenditure.

- Creditors: £64.3m
- Debtors: £60.3m
- Capital expenditure: £28.1m

Our response to significant risks

We have set out the significant risks (including fraud risks denoted by*) identified for the current year audit along with the rationale and expected audit approach. The risks identified below may change to reflect any significant findings or subsequent issues we identify during the audit.

Disk of monopoly and supprise	What is the risk?	What will we do?	
Risk of management override	As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. We identify and respond to this fraud risk on every audit engagement.	 Based on the requirements of auditing standards our approach will focus on: Identifying fraud risks during the planning stages. Inquiry of management about risks of fraud and the controls put in place to address those risks. Understanding the oversight given by those charged with governance of management's processes over fraud. Consideration of the effectiveness of management's controls designed to address the risk of fraud. Determining an appropriate strategy to address those identified risks of fraud. Developing a testing approach to journal entries. Assessing accounting estimates for evidence of management bias. Evaluating the business rationale for any significant unusual transactions. Performing appropriate tests to assess whether provisions are both complete and fairly stated. Performing mandatory procedures regardless of specifically identified fraud risks. Consider whether the results of testing for incorrect revenue and expenditure recognition indicates management override of controls. 	

Our response to significant risks

We have set out the significant risks (including fraud risks denoted by*) identified for the current year audit along with the rationale and expected audit approach. The risks identified below may change to reflect any significant findings or subsequent issues we identify during the audit.

Valuation of Property, Plant & Equipment

Financial statement impact

Misstatements that occur in relation to the valuation of Property, Plant & Equipment could affect the balance sheet. These accounts had the following balances in the 2016/17 financial statements:

- Operational land and buildings: £391.8m
- Surplus assets: £4.9m
- Investment Properties: £9.1m

What is the risk?

The Council carries out a rolling programme that ensures that all property, plant and equipment required to be measured at fair value is revalued at least every five years. All valuations are carried out by the Council's own specialist valuer and must follow the methodologies and bases for estimation set out in the professional standards of the Royal Institution of Chartered Surveyors. This process incorporates significant judgements.

The assets that fall within this risk are those that are held at fair value, being:

- Operational Land & Buildings
- Surplus Assets (if material in 2017/18)
- Investment Properties (if material in 2017/18)

All other classes of assets, as set out in the Council's accounting policies, are held at historic cost.

What will we do?

We will:

- Evaluate the competence, capabilities and objectivity of management's specialist
- Review any terms of engagement or instructions issued to the valuer to ensure these are consistent with accounting standards;
- Engage our valuation specialists to support our testing strategy and help evaluate the work of the Council's valuer.
- Perform appropriate tests over the completeness and appropriateness of information provided to the valuer.
- Review the classification of assets and ensure the correct valuation methodology has been applied.
- Ensure the valuer's conclusions have been appropriately recorded in the accounts.

Other areas of audit focus

We have identified other areas of the audit, that have not been classified as significant risks, but are still important when considering the risks of material misstatement to the financial statements and disclosures and therefore may be key audit matters we will include in our audit report.

rial experts to assist our review of the key actuarial assumptions insion fund liability. iate tests to obtain assurance over the information provided to the sion Fund auditor to ascertain whether there are material concerns vare of for our audit and make enquiries on the procedures they in their audit. ing entries and disclosures are consistent with the actuaries report.
operts to assist in our review of the valuation methodology.

Other areas of audit focus

We have identified other areas of the audit, that have not been classified as significant risks, but are still important when considering the risks of material misstatement to the financial statements and disclosures and therefore may be key audit matters we will include in our audit report.

What is the risk/area of focus?	What will we do?	
Earlier deadline for production of the financial statements	We will:	
The Accounts and Audit Regulations 2015 introduced a significant change in statutory deadlines from the 2017/18 financial year. The timetable for the preparation and approval of accounts will be brought forward with draft accounts needing to be prepared by 31 May and the publication of	 Work with the Council to engage early to facilitate early substantive testing where appropriate. 	
the accounts by 31 July.	 Provide an early review on the Council's streamlining of th Statement of Accounts where non-material disclosure note 	
These changes provide risks for both the preparers and the auditors of the financial statements.	are removed.	
The Council now has less time to prepare the financial statements and supporting working papers. As your auditor, we have a more significant peak in our audit work and a shorter period to complete the audit. Risks for auditors relate to delivery of all audits within same compressed timetable. Slippage at one client could potentially put delivery of others at risk.	• Facilitate faster close workshops to provide an interactive forum for Local Authority accountants and auditors to shar good practice and ideas to enable us all to achieve a successful faster closure of accounts for the 2017/18	
To mitigate this risk we will require:	financial year.	
• good quality draft financial statements and supporting working papers by the agreed deadline;	Work with the Council to implement EY Client Portal, this w	
 appropriate Council staff to be available throughout the agreed audit period; and 	 Streamline our audit requests through a reduction of emails and improved means of communication; 	
complete and prompt responses to audit questions.	Provide on -demand visibility into the status of audi

on the timing of your audit, which may be that we postpone your audit until later in the summer and redeploy the team to other work to meet deadlines elsewhere.	Reduce risk of duplicate requests; and	
Where additional work is required to complete your audit, due to additional risks being identified,	• Provide better security of sensitive data.	
additional work being required as a result of scope changes, or poor audit evidence, we will notify you of the impact on the fee and the timing of the audit. Such circumstances may result in a delay	 Agree the team and timing of each element of our work wit you. 	
o your audit while we complete other work elsewhere.	 Agree the supporting working papers that we require to complete our audit. 	

O3 Value for Money Risks

0

Background

We are required to consider whether the Council has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources. This is known as our value for money conclusion.

For 2017/18 this is based on the overall evaluation criterion:

"In all significant respects, the audited body had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people"

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- § Take informed decisions;
- § Deploy resources in a sustainable manner; and
- § Work with partners and other third parties.

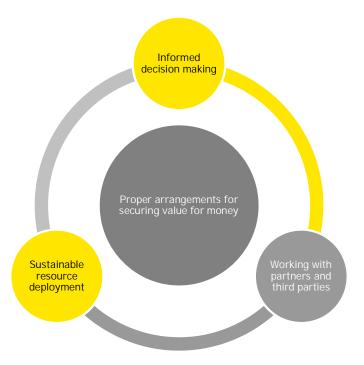

In considering your proper arrangements, we will draw on the requirements of the CIPFA/SOLACE framework for local government to ensure that our assessment is made against a framework that you are already required to have in place and to report on through documents such as your annual governance statement.

We are only required to determine whether there are any risks that we consider significant, which the Code of Audit Practice defines as:

"A matter is significant if, in the auditor's professional view, it is reasonable to conclude that the matter would be of interest to the audited body or the wider public"

Our risk assessment supports the planning of sufficient work to enable us to deliver a safe conclusion on arrangements to secure value for money and enables us to determine the nature and extent of further work that may be required. If we do not identify any significant risks there is no requirement to carry out further work.

Our risk assessment has therefore considered both the potential financial impact of the issues we have identified, and also the likelihood that the issue will be of interest to local taxpayers, the Government and other stakeholders. This has resulted in the identification of no significant risks.

We remain alert to the possibility of new or emerging significant risks as our audit progresses. In particular, we kept under review:

- § The work and reports of regulators, such as the Care Quality Commission and OFSTED.
- § The outcome of other aspects of assurance work, such as the audited financial position and the Head of Internal Audit's opinion.

Value for Money

Value for Money Risks

As part of our risk assessment in 201718, we considered the outcome of our work against the two significant VFM risks identified in the prior year audit. Further details are set out in our Audit Results Report as presented to the September 2017 Audit Committee.

Prior year risk	Background to the risk	Prior Year Conclusion	Consideration in 2017/18
Significant Risk: Sustainable resource deployment	The 2016/17 budget, identified the need to deliver in year revenue savings of £25.4million and a further £84.8million over the next four years to achieve a balanced budget by 2019/20.	n and ato the guidance issued by the C&AG inr years toNovember 2016, we are satisfied that, inall significant respects, there is noindication that the Council'sarrangements are inadequate.arrangements are inadequate.	In performing our risk assessment, we concluded that whilst there are continuing financial pressures on local authority financing, the Council's overall arrangements
VFM Criteria: Planning finances effectively to	At 31 December 2016, the Council forecast a net revenue overspend of £2.5million, after the planned use of reserves and assuming the successful		remain fundamentally unchanged from the point of issuing our conclusion in September 2017.
support the sustainable delivery of strategic priorities	delivery of corrective action plans. Within this context reference was made to the significant cost pressures in providing Adult Social Care, despite additional investment of £13million in the service,		We noted that the Council's financial performance at Quarter 2 showed an overall overspend of £1.2million, with appropriate plans in place to manage spending.
and maintain statutory functions	Adult Social Care was forecasting a £7.6 million overspend in 2016/17 due to increased demand pressures.		The Council is currently finalising the budget for 2018/19 and we will revisit our risk assessment during the course of our work.
Significant Risk: Working with third parties effectively to deliver strategic priorities	The health economy across Walsall is increasingly challenged, with the Manor Hospital rated as 'inadequate' by the Care Quality Commission and NHS Walsall CCG under Directions from NHS England.	As a result, there is sufficient evidence to conclude that whilst there have been challenges during the year, on the basis of our work, having regard to the guidance issued by the C&AG in	Whilst the Improved Better Care Fund has been introduced for 2017/18 and the local health economy remains challenged, our risk assessment concluded that the Council's arrangements remain consistent with
VFM Criteria: Working with third parties effectively to deliver strategic priorities	The Better Care Fund (BCF) 2016/17 Plan underwent a review process by NHS England, who rated the Plan as "assured with support". This puts the performance of the Plan under a higher level of scrutiny by NHS England.	November 2016, we are satisfied that, in all significant respects, there is no indication that the Council's arrangements are inadequate. Members will need to ensure there is ongoing review to ensure joint objectives with partners are delivered or there is appropriate action taken to mitigate the potential consequence of non-delivery to	2016/17 and therefore no significant VFM risk arises in 2017/18.

the Council.

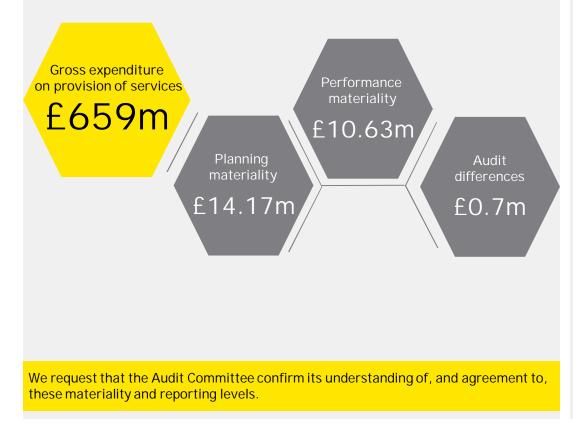

Audit materiality

Materiality

Materiality

For planning purposes, materiality for 2017/18 has been set at £14.17m. This represents 2% of the Council's prior year gross expenditure on provision of services. The rationale for selecting expenditure as a benchmark is that for a public sector entity, the expectations of users (including regulators) of the entity are focused on the measurement of expenditure. A factor of 2% is consistent with the prior period and based on our risk evaluation of the Council as a whole. It will be reassessed throughout the audit process. We have provided supplemental information about audit materiality in Appendix D.

Key definitions

Planning materiality – the amount over which we anticipate misstatements would influence the economic decisions of a user of the financial statements.

Performance materiality – the amount we use to determine the extent of our audit procedures. We have set performance materiality at £10.63m which represents 75% of planning materiality, and takes into account our consideration of the Council's control environment and the outcome of the prior year audit.

Audit difference threshold – we propose that misstatements identified below this threshold are deemed clearly trivial. We will report to you all uncorrected misstatements over this amount relating to the comprehensive income and expenditure statement, balance sheet and collection fund that have an effect on income or that relate to other comprehensive income.

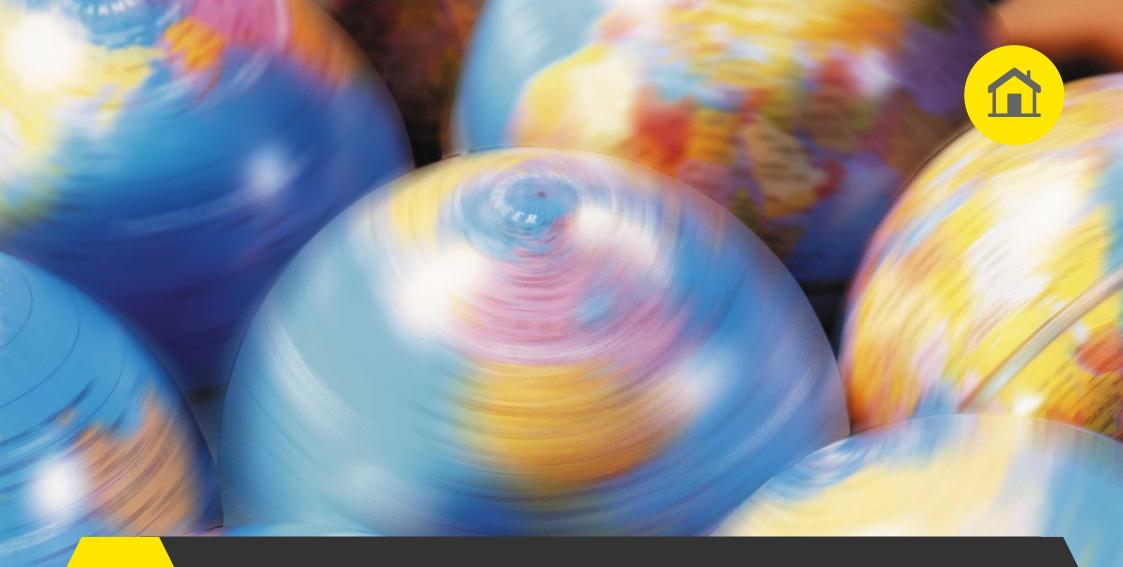

Other uncorrected misstatements, such as reclassifications and misstatements in the cashflow statement and movement in reserves statement or disclosures, and corrected misstatements will be communicated to the extent that they merit the attention of the audit committee, or are important from a qualitative perspective.

Specific materiality – We have set a lower materiality in specific areas as follows:

- £1k for the disclosure of audit fees;
- £35k for members allowances (based on 5% of the audit differences threshold);
- £1k for officers remuneration disclosures

These reflect our understanding that an amount less than our materiality would influence the economic decisions of users of the financial statements in relation to this.

In addition, for related parties, as the note is split between Organisations and Individuals and the accounting standard requires us to consider the disclosure from the point of materiality to either side of the transaction, we will set materiality for the Organisational element at the same level as the audit and the individuals element is to be considered on a case by case basis.

05 Scope of our audit

Our Audit Process and Strategy

Objective and Scope of our Audit scoping

Under the Code of Audit Practice our principal objectives are to review and report on the Council's financial statements and arrangements for securing economy, efficiency and effectiveness in its use of resources to the extent required by the relevant legislation and the requirements of the Code.

We issue an audit report that covers:

1. Financial statement audit

Our objective is to form an opinion on the financial statements under International Standards on Auditing (UK and Ireland).

We also perform other procedures as required by auditing, ethical and independence standards, the Code and other regulations. We outline below the procedures we will undertake during the course of our audit.

Procedures required by standards

- Addressing the risk of fraud and error;
- Significant disclosures included in the financial statements;
- Entity-wide controls;
- Reading other information contained in the financial statements and reporting whether it is inconsistent with our understanding and the financial statements; and
- Auditor independence.

Procedures required by the Code

- Reviewing, and reporting on as appropriate, other information published with the financial statements, including the Annual Governance; and
- Reviewing and reporting on the Whole of Government Accounts return, in line with the instructions issued by the NAO [delete if not applicable]

2. Arrangements for securing economy, efficiency and effectiveness (value for money)

We are required to consider whether the Council has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources.

Scope of our audit

Our Audit Process and Strategy (continued)

Audit Process Overview

Our audit involves:

- · Identifying and understanding the key processes and internal controls; and
- Substantive tests of detail of transactions and amounts.

For 2017/18 we plan to follow a substantive approach to the audit as we have concluded this is the most efficient way to obtain the level of audit assurance required to conclude that the financial statements are not materially misstated.

Analytics:

We will use our computer-based analytics tools to enable us to capture whole populations of your financial data, in particular journal entries. These tools:

- · Help identify specific exceptions and anomalies which can then be subject to more traditional substantive audit tests; and
- Give greater likelihood of identifying errors than random sampling techniques.

We will report the findings from our process and analytics work, including any significant weaknesses or inefficiencies identified and recommendations for improvement, to management and the Audit Committee.

Internal audit:

We will regularly meet with your Head of Internal Audit, and review internal audit plans and the results of their work. We will reflect the findings from these reports, together with reports from any other work completed in the year, in our detailed audit plan, where they raise issues that could have an impact on the financial statements.

06 Audit team

Use of specialists in the team

When auditing key judgements, we are often required to rely on the input and advice provided by specialists who have qualifications and expertise not possessed by the core audit team. The areas where either EY or third party specialists provide input for the current year audit are:

Area	Specialists
Valuation of Land and Buildings	EY Valuations Team
Pensions disclosure	EY Actuaries
Valuation of Airport Shares	EY Financial Valuations Team

In accordance with Auditing Standards, we will evaluate each specialist's professional competence and objectivity, considering their qualifications, experience and available resources, together with the independence of the individuals performing the work.

We also consider the work performed by the specialist in light of our knowledge of the Council's business and processes and our assessment of audit risk in the particular area. For example, we would typically perform the following procedures:

- Analyse source data and make inquiries as to the procedures used by the specialist to establish whether the source data is relevant and reliable;
- Assess the reasonableness of the assumptions and methods used;
- Consider the appropriateness of the timing of when the specialist carried out the work; and
- Assess whether the substance of the specialist's findings are properly reflected in the financial statements.

07 Audit timeline

-

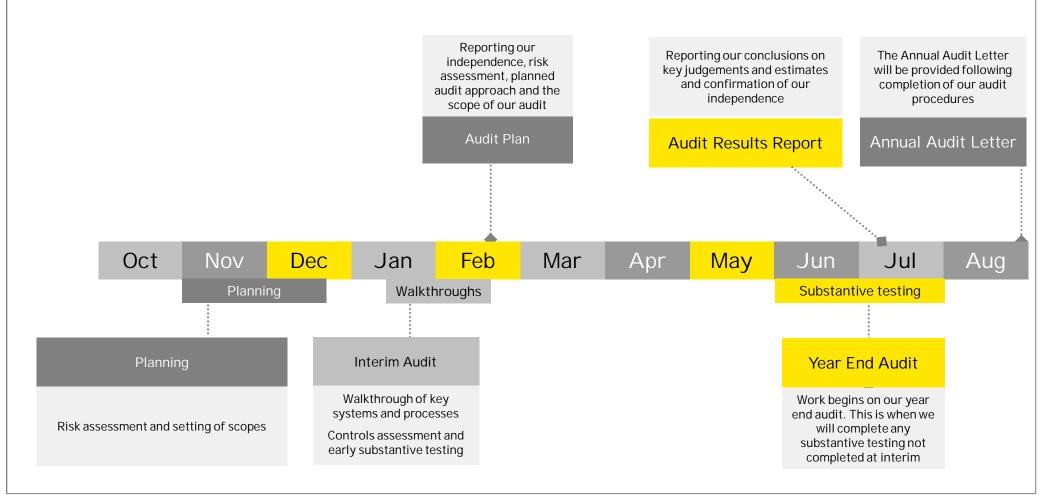

🔀 Audit timeline

Timetable of communication and deliverables

Timeline

Below is a timetable showing the key stages of the audit and the deliverables we have agreed to provide to you through the audit cycle in 2017/18.

From time to time matters may arise that require immediate communication with the Audit Committee and we will discuss them with the Audit Committee Chair as appropriate. We will also provide updates on corporate governance and regulatory matters as necessary.

Introduction

The FRC Ethical Standard and ISA (UK) 260 "Communication of audit matters with those charged with governance", requires us to communicate with you on a timely basis on all significant facts and matters that bear upon our integrity, objectivity and independence. The Ethical Standard, as revised in June 2016, requires that we communicate formally both at the planning stage and at the conclusion of the audit, as well as during the course of the audit if appropriate. The aim of these communications is to ensure full and fair disclosure by us to those charged with your governance on matters in which you have an interest.

Required communications

Planning stage

- Final stage
- The principal threats, if any, to objectivity and independence identified by Ernst & Young (EY) including consideration of all relationships between the you, your affiliates and directors and us;
- The safeguards adopted and the reasons why they are considered to be effective, including any Engagement Quality review;
- The overall assessment of threats and safeguards;
- Information about the general policies and process within EY to maintain objectivity and independence.
- Where EY has determined it is appropriate to apply more restrictive independence rules than permitted under the Ethical Standard [note: additional wording should be included in the communication reflecting the client specific situation]
- In order for you to assess the integrity, objectivity and independence of the firm and each covered person, we are required to provide a written disclosure of relationships (including the provision of non-audit services) that may bear on our integrity, objectivity and independence. This is required to have regard to relationships with the entity, its directors and senior management, its affiliates, and its connected parties and the threats to integrity or objectivity, including those that could compromise independence that these create. We are also required to disclose any safeguards that we have put in place and why they address such threats, together with any other information necessary to enable our objectivity and independence to be assessed;
- Details of non-audit services provided and the fees charged in relation thereto;
- Written confirmation that the firm and each covered person is independent and, if applicable, that any non-EY firms used in the group audit or external experts used have confirmed their independence to us;
- Written confirmation that all covered persons are independent;
- Details of any inconsistencies between FRC Ethical Standard and your policy for the supply of non-audit services by EY and any apparent breach of that policy;
- Details of any contingent fee arrangements for non-audit services provided by us or our network firms; and
- An opportunity to discuss auditor independence issues.

In addition, during the course of the audit, we are required to communicate with you whenever any significant judgements are made about threats to objectivity and independence and the appropriateness of safeguards put in place, for example, when accepting an engagement to provide non-audit services.

We also provide information on any contingent fee arrangements, the amounts of any future services that have been contracted, and details of any written proposal to provide non-audit services that has been submitted;

We ensure that the total amount of fees that EY and our network firms have charged to you and your affiliates for the provision of services during the reporting period, analysed in appropriate categories, are disclosed.

Relationships, services and related threats and safeguards

We highlight the following significant facts and matters that may be reasonably considered to bear upon our objectivity and independence, including the principal threats, if any. We have adopted the safeguards noted below to mitigate these threats along with the reasons why they are considered to be effective. However we will only perform non –audit services if the service has been pre-approved in accordance with your policy.

Overall Assessment

Overall, we consider that the safeguards that have been adopted appropriately mitigate the principal threats identified and we therefore confirm that EY is independent and the objectivity and independence of Hassan Rohimun, your audit engagement partner and the audit engagement team have not been compromised.

Self interest threats

A self interest threat arises when EY has financial or other interests in the Council. Examples include where we receive significant fees in respect of non-audit services; where we need to recover long outstanding fees; or where we enter into a business relationship with you. At the time of writing, there are no long outstanding fees.

We believe that it is appropriate for us to undertake permissible non-audit services and we will comply with the policies that you have approved.

None of the services are prohibited under the FRC's ES or the National Audit Office's Auditor Guidance Note 01 and the services have been approved in accordance with your policy on pre-approval. The ratio of non audit fees to audits fees is not permitted to exceed 70%.

At the time of writing, there are no non-audit services provided to the Council.

A self interest threat may also arise if members of our audit engagement team have objectives or are rewarded in relation to sales of non-audit services to you. We confirm that no member of our audit engagement team, including those from other service lines, has objectives or is rewarded in relation to sales to you, in compliance with Ethical Standard part 4.

There are no other self interest threats at the date of this report.

Self review threats

Self review threats arise when the results of a non-audit service performed by EY or others within the EY network are reflected in the amounts included or disclosed in the financial statements.

There are no self review threats at the date of this report.

Management threats

Partners and employees of EY are prohibited from taking decisions on behalf of management of the Council. Management threats may also arise during the provision of a non-audit service in relation to which management is required to make judgements or decision based on that work.

There are no management threats at the date of this report.

Dindependence

Relationships, services and related threats and safeguards

Other threats

Other threats, such as advocacy, familiarity or intimidation, may arise. There are no other threats at the date of this report.

Other communications

EY Transparency Report 2017

Ernst & Young (EY) has policies and procedures that instil professional values as part of firm culture and ensure that the highest standards of objectivity, independence and integrity are maintained.

Details of the key policies and processes in place within EY for maintaining objectivity and independence can be found in our annual Transparency Report which the firm is required to publish by law. The most recent version of this Report is for the year ended 1 July 2017 and can be found here:

http://www.ey.com/uk/en/about-us/ey-uk-transparency-report-20167

Appendix A

Fees

The duty to prescribe fees is a statutory function delegated to Public Sector Audit Appointments Ltd (PSAA) by the Secretary of State for Communities and Local Government.

PSAA has published a scale fee for all relevant bodies. This is defined as the fee required by auditors to meet statutory responsibilities under the Local Audit and Accountability Act 2014 in accordance with the NAO Code.

	Planned fee 2017/18	Scale fee 2017/18	Final Fee 2016/17
	£	£	£
Total Fee - Code work	142,853	142,853	142,853
Total audit	142,853	142,853	142,853
Other non-audit services not covered above (Housing Benefits)	14,087	14,087	14,408
Total other non-audit services	14,087	14,087	14,408
Total fees	156,940	156,940	157,261

All fees exclude VAT

The agreed fee presented is based on the following assumptions:

► Officers meeting the agreed timetable of deliverables;

► Our accounts opinion and value for money conclusion being unqualified;

- ► Appropriate quality of documentation is provided by the Council; and
- ► The Council has an effective control environment.

If any of the above assumptions prove to be unfounded, we will seek a variation to the agreed fee. This will be discussed with the Council in advance.

Fees for the auditor's consideration of correspondence from the public and formal objections will be charged in addition to the scale fee.

Appendix B Regulatory update

Earlier deadline for production and audit of the financial statements from 2017/18

The Accounts and Audit Regulations 2015 introduced a significant change in statutory deadlines from the 2017/18 financial year. From that year the timetable for the preparation and approval of accounts will be brought forward with draft accounts needing to be prepared by 31 May and the publication of the accounts by 31 July.

These changes provide risks for both the preparers and the auditors of the financial statements:

- The Council now has less time to prepare the financial statements and supporting working papers.
- As your auditor, we have a more significant peak in our audit work and a shorter period to complete the audit. Risks for auditors relate to delivery of all audits within same compressed timetable. Slippage at one client could potentially put delivery of others at risk.

To mitigate this risk we will require:

- good quality draft financial statements and supporting working papers by the agreed deadline; .
- appropriate Council staff to be available throughout the agreed audit period; and
- complete and prompt responses to audit questions.

If you are unable to meet key dates within our agreed timetable, we will notify you of the impact on the timing of your audit, which may be that we postpone your audit until later in the summer and redeploy the team to other work to meet deadlines elsewhere.

Where additional work is required to complete your audit, due to additional risks being identified, additional work being required as a result of scope changes, or poor audit evidence, we will notify you of the impact on the fee and the timing of the audit. Such circumstances may result in a delay to your audit while we complete other work elsewhere.

To support the Council we will:

- Work with the Council to engage early to facilitate early substantive testing where appropriate.
- Provide an early review on the Council's streamlining of the Statement of Accounts where non-material disclosure notes are removed.
- Facilitate faster close workshops to provide an interactive forum for Local Authority accountants and auditors to share good practice and ideas to enable us all to achieve a successful faster closure of accounts for the 2017/18 financial year.
- Work with the Council to implement EY Client Portal, this will:
 - Streamline our audit requests through a reduction of emails and improved means of communication;
 - Provide on -demand visibility into the status of audit requests and the overall audit status; ٠
 - Reduce risk of duplicate requests; and ٠
 - Provide better security of sensitive data. •
- Agree the team and timing of each element of our work with you.
- Agree the supporting working papers that we require to complete our audit.

Required communications with the Audit Committee

We have detailed the communications that we must provide to the Audit Committee.

		Uur Reporting to you
Required communications	What is reported?	When and where
Terms of engagement	Confirmation by the Audit Committee of acceptance of terms of engagement as written in the engagement letter signed by both parties.	The statement of responsibilities serves as the formal terms of engagement between the PSAA's appointed auditors and audited bodies.
Our responsibilities	Reminder of our responsibilities as set out in the engagement letter	The statement of responsibilities serves as the formal terms of engagement between the PSAA's appointed auditors and audited bodies.
Planning and audit approach	Communication of the planned scope and timing of the audit, any limitations and the significant risks identified. When communicating key audit matters this includes the most significant risks of material misstatement (whether or not due to fraud) including those that have the greatest effect on the overall audit strategy, the allocation of resources in the audit and directing the efforts of the engagement team	Audit planning report
Significant findings from the audit	 Our view about the significant qualitative aspects of accounting practices including accounting policies, accounting estimates and financial statement disclosures Significant difficulties, if any, encountered during the audit Significant matters, if any, arising from the audit that were discussed with management Written representations that we are seeking Expected modifications to the audit report Other matters if any, significant to the oversight of the financial reporting process 	Audit results report

Required communications with the Audit Committee (continued)

		Our Reporting to you
Required communications	What is reported?	When and where
Going concern	 Events or conditions identified that may cast significant doubt on the entity's ability to continue as a going concern, including: Whether the events or conditions constitute a material uncertainty Whether the use of the going concern assumption is appropriate in the preparation and presentation of the financial statements The adequacy of related disclosures in the financial statements 	Audit results report
Misstatements	 Uncorrected misstatements and their effect on our audit opinion, unless prohibited by law or regulation The effect of uncorrected misstatements related to prior periods A request that any uncorrected misstatement be corrected Corrected misstatements that are significant Material misstatements corrected by management 	Audit results report
Fraud	 Enquiries of the Audit Committee to determine whether they have knowledge of any actual, suspected or alleged fraud affecting the entity Any fraud that we have identified or information we have obtained that indicates that a fraud may exist A discussion of any other matters related to fraud 	Audit results report
Related parties	 Significant matters arising during the audit in connection with the entity's related parties including, when applicable: Non-disclosure by management Inappropriate authorisation and approval of transactions Disagreement over disclosures Non-compliance with laws and regulations Difficulty in identifying the party that ultimately controls the entity 	Audit results report

Required communications with the Audit Committee (continued)

Required communications	What is reported?	When and where
Independence	Communication of all significant facts and matters that bear on EY's, and all individuals involved in the audit, objectivity and independence	Audit Planning Report and Audit results report
	Communication of key elements of the audit engagement partner's consideration of independence and objectivity such as:	
	The principal threats	
	Safeguards adopted and their effectiveness	
	An overall assessment of threats and safeguards	
	 Information about the general policies and process within the firm to maintain objectivity and independence 	
	For public interest entities and listed companies, communication of minimum requirements as detailed in the FRC Revised Ethical Standard 2016:	
	 Relationships between EY, the Council and senior management, its affiliates and its connected parties 	
	 Services provided by EY that may reasonably bear on the auditors' objectivity and independence 	
	Related safeguards	
	 Fees charged by EY analysed into appropriate categories such as statutory audit fees, tax advisory fees, other non-audit service fees 	
	 A statement of compliance with the Ethical Standard, including any non-EY firms or external experts used in the audit 	
	• Details of any inconsistencies between the Ethical Standard and Group's policy for the provision of non-audit services, and any apparent breach of that policy	
	Details of any contingent fee arrangements for non-audit services	
	• Where EY has determined it is appropriate to apply more restrictive rules than permitted under the Ethical Standard	
	• The Audit Committee should also be provided an opportunity to discuss matters affecting auditor independence	

Our Reporting to you

Required communications with the Audit Committee (continued)

		Our Reporting to you
Required communications	What is reported?	When and where
External confirmations	 Management's refusal for us to request confirmations Inability to obtain relevant and reliable audit evidence from other procedures 	Audit results report
Consideration of laws and regulations	 Audit findings regarding non-compliance where the non-compliance is material and believed to be intentional. This communication is subject to compliance with legislation on tipping off Enquiry of the Audit Committee into possible instances of non-compliance with laws and regulations that may have a material effect on the financial statements and that the Audit Committee may be aware of 	Audit results report
Internal controls	Significant deficiencies in internal controls identified during the audit	Audit results report
Representations	Written representations we are requesting from management and/or those charged with governance	Audit results report
Material inconsistencies and misstatements	Material inconsistencies or misstatements of fact identified in other information which management has refused to revise	Audit results report
Auditors report	 Key audit matters that we will include in our auditor's report Any circumstances identified that affect the form and content of our auditor's report 	Audit results report
Fee Reporting	 Breakdown of fee information when the audit plan is agreed Breakdown of fee information at the completion of the audit Any non-audit work 	Audit planning report Audit results report
Certification work	Summary of certification work undertaken	Certification report

🖹 Appendix D

Additional audit information

Other required procedures during the course of the audit

In addition to the key areas of audit focus outlined in section 2, we have to perform other procedures as required by auditing, ethical and independence standards and other regulations. We outline the procedures below that we will undertake during the course of our audit.

Our responsibilities required by auditing standards

- Identifying and assessing the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
 - Obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control.
 - Evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Concluding on the appropriateness of management's use of the going concern basis of accounting.
 - Evaluating the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtaining sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Council to express an opinion on the consolidated financial statements. Reading other information contained in the financial statements, including the board's statement that the annual report is fair, balanced and understandable, the Audit Committee reporting appropriately addresses matters communicated by us to the Audit Committee and reporting whether it is materially inconsistent with our understanding and the financial statements; and
 - Maintaining auditor independence.

🖹 Appendix D

Additional audit information (continued)

Purpose and evaluation of materiality

For the purposes of determining whether the accounts are free from material error, we define materiality as the magnitude of an omission or misstatement that, individually or in the aggregate, in light of the surrounding circumstances, could reasonably be expected to influence the economic decisions of the users of the financial statements. Our evaluation of it requires professional judgement and necessarily takes into account qualitative as well as quantitative considerations implicit in the definition. We would be happy to discuss with you your expectations regarding our detection of misstatements in the financial statements.

Materiality determines:

- The locations at which we conduct audit procedures to support the opinion given on the financial statements; and
- The level of work performed on individual account balances and financial statement disclosures.

The amount we consider material at the end of the audit may differ from our initial determination. At this stage, however, it is not feasible to anticipate all of the circumstances that may ultimately influence our judgement about materiality. At the end of the audit we will form our final opinion by reference to all matters that could be significant to users of the accounts, including the total effect of the audit misstatements we identify, and our evaluation of materiality at that date.
