Terms of Reference

Portfolio: Local Partnerships

Service Area: Neighbourhood Services

Wards: Pelsall, Rushall Shelfield

Purpose of the Report

To inform LNPs of the revised terms of reference to be adopted, as approved by the Walsall Borough Strategic Partnership (WBSP).

Recommendations

The LNP is asked to:

- (a) Note the revised terms of reference as approved by the Walsall Borough Strategic Partnership, attached as an appendix.
- (b) Adopt and sign up to the Terms of Reference.

Background

From April 2006 the LNP's will report to the Walsall Borough Strategic Partnership Board in relation to its membership and governance arrangements and to the Pillar Executive Groups and Commissioning Executive in relation to neighbourhood commissions and delivery of borough-wide targets at the local level.

A Terms of Reference has been developed and agreed by the WBSP to reflect this change in governance. The Terms of Reference also include minor changes to the chairing and existing membership arrangements with the addition of representatives from the Fire Service, Housing Partnership and Community Empowerment Partnership Board and the inclusion of 2 vice-chairs to support the current Chair.

Amendments have also been made to the re-selection of Locally Appointed Partners, with one third of the membership being reselected each year.

A report was presented to a full meeting of the Council on 24th April where approval was given to the revised governance arrangements for LNPs.

4. Revised Terms of Reference

The attached terms of reference for LNP's aim to reflect the style used by WBSP for its pillar and stakeholder groups. The detail contains membership, areas covered, duties of members, public participation, decision making, as well as the LNP's remit and objectives.

Until recently the LNP's have been governed by the Council's Constitution and Code of Conduct. The updated documentation reflects the new way of working across all partnerships as they become part of WBSP's structure. In addition it removes some of the barriers to participation highlighted by local and council appointed partners because of the requirement to sign the Council's code of conduct.
