Ward(s) All

Portfolios: Councillor Chris Towe – Education & Skills

Report:

The purpose of this report is to provide for consideration and approval an updated proposed work programme for the Committee for 2019/20.

The proposed work programme, which is attached an appendix to this report, takes account of the items that were identified at the Committee's June 2019 meeting, together with those items that were considered appropriate to be carried forward from the 2018/19 municipal year. For ease of reference, the items are set out in the table on a meeting-by-meeting basis.

Also included in the work programme, Members having expressed their interests in relation to the establishment of a working group on which they would love to serve, is the working group that it was proposed be established for the 2019/20 municipal year.

Recommendations:

1. That Members consider and approve the Committee's proposed work programme for 2019/20.
2. That Members consider and approve the establishment of the working group proposed for 2019/20.
