**Areas of focus for 2017/18**

**Ward(s)** All

**Portfolios:** All

**Report:**

The purpose of this item is to provide relevant background information for Members so that the Committees areas of focus can be agreed for 2016/17.

It is important for Members to consider the wide range of potential issues within their remit which they could consider during the year.

When agreeing items, it is important that consideration is given to the level of value the Panel could add taking into account the tools and performance measures available to support them in their work.

**Items recommended from previous year**

The following items were recommended for consideration by the committee in the last municipal year:

Engagement with social housing providers  
Discussion on CCTV in Walsall with West Midlands Combined Authority lead  
Housing White Paper

The Remembrance Day Working Group has also been active recently and will wish to submit a further report and recommendations. It is suggested the working group membership from last year is reappointed to complete the investigation.

**Recommendations:**

**That Member's consider the range of issues within the remit of the Committee and agree a work programme for the year.**
