

Walsall OFSTED reports (April 2019- 26th February 2020)

Old framework

Abbey Primary School 30th April Good

Pupils' work in religious education is strengthened by visits to places of worship and talks from visitors to the school. Pupils learn well about different cultures and traditions. They are respectful of others, and do not tolerate discrimination.

Bentley West Primary School Additionally Resourced for Hearing Impaired 1st May Requires Improvement

Pupils have very limited knowledge of British values and different world religions.

What does the school need to do to improve further?

Develop pupils' knowledge of other faiths and British values to provide them with a secure grounding for life in modern Britain.

Blue Coat Church of England Aided Junior School 3rd April Good

Jubilee Academy Mossley 10th April Good

Leighswood School 3rd July Good

Spiritual, moral, social and cultural education is well developed across the school. For example, pupils learn about a range of religions and cultures. They understand British values.

Ormiston Shelfield Community Academy 14th May Requires Improvement

St Joseph's Catholic Primary School, Darlaston 4th June Requires Improvement

The school welcomes children from a diverse range of faiths and celebrates these through assemblies, a multi-faith week in the summer term and frequent visits to places of worship.

Willenhall E Act academy 19th March Requires Improvement

The curriculum is starting to promote pupils' spiritual, moral, social and cultural education more cohesively through a broader range of opportunities than it did before.

New Framework

Caldmore Primary Academy 15th October Good

Castlefort Junior Mixed and Infant School 21st January 2020 Good

Pupils learn about different faiths and cultures.

Fibbersley Park Academy 12th September Requires improvement

Millfield Primary School 6th November Good

Radleys Primary School 12th February Good

The school has close links with its local church. Alongside this, pupils learn about other religions.

Rivers Primary Academy 3rd December Good (Deep dive in RE)

There are overview sheets for each theme taught in each year group to help pupils. These set out what pupils will learn and important subject vocabulary. They are used successfully and act as helpful prompts for pupils. For example, in Religious Education (RE), pupils learn about the five pillars of Islam. They can refer to their sheets to remind them what these are. Pupils build up their knowledge of different world religions as they move through the school.
