Recommendations

1. For LNP to note progress on projects
2. For project champions to feedback at the next LNP meeting

Projects Updates

- **Christmas Lights:**

Completed. Currently exploring ideas for festive decorations for 2006.

- **Kick Start Community Safety:**

The idea of part funding wardens for the area has taken a setback as the current wardens funding has been dramatically reduced. Therefore this means the LNP will have to attract other monies to match the LNP contribution allowing sufficient funds to allocate wardens to the area. The LNP are working with the external funding unit to identify other potential funders.

- **Youth Engagement project:**

The LNP are yet to determine a project(s) around youth engagement.
