**A review of the Resilient Communities Model – report by the Resilient Communities Working Group**

**Ward(s)** All

**Portfolios:** Cllr G. Perry – Community, Leisure and Culture

**Report:**

In January 2020 the Scrutiny Overview Committee (SOC) held a special meeting to consider the call-in of the Cabinet decision 'Walsall Proud Programme: Resilient Communities' that approved a resilient communities model. The conclusion of that meeting was the establishment of a cross party working group who were set the task to complete an assessment of the model and report to the SOC with their findings and recommendations.

To gain further understanding of the model the working group has met with the Portfolio Holder, Council Senior Managers and Officers, Partners and local voluntary and community organisations.

The final report is marked 'to follow' and will be made available prior to the meeting.

**Recommendations:**

**That, subject to any comments members may wish to make, the final report of the Resilient Communities Working Group be forwarded to Cabinet for consideration.**
