SACRE – SELF EVALUATION

1. Purpose of Report

The purpose of the report is to consider the process for the self evaluation of SACRE.

2. Recommendations

- (a) That SACRE authorise the Strategy Sub Group to consider the progress of SACRE against the self evaluation toolkit previously approved and to report the progress to SACRE at its next meeting.
- (b) That Members of SACRE be invited to attend the Strategy Sub Group meeting on 16 July, 2007 from 4.30 to 6.30 p.m. at Pleck Methodist Church, Bescot Road, Walsall to assist with the self evaluation.

3. Background

At its meeting held on 13 November, 2006, SACRE received a copy of the OfSTED Self Evaluation Toolkit providing guidance on the self evaluation process. A self evaluation audit would enable SACRE to prioritise and plan its activities. It would enable Walsall MBC to have a strategic view about developments and for Education Walsall to plan financially how actions might be supported.

A copy of the self evaluation toolkit is attached.
