OFFICIAL

LICENSING ACT 2003
NAME OF PREMISES: Jays's Juices
ADDRESS: 30 Goodhall Street Walsall WS1 1QL

I refer to the application for the Grant of a Premises licence made in respect of the above premises.

Having visited your premises, I am pleased to inform you that The Fire Authority will **not make representation** to the application, on the grounds of Public Safety, at this time.

What you Must do

You must carry out a Fire Risk Assessment to determine the correct fire precautions for your premises and the measures that you will need to take to keep people safe from fire.

I have attached a government guide to help in the process.

If you are in any doubt about the standards that you will need to apply, you should enlist the support of a competent, qualified Fire Risk Assessor.

From your records/application/plans, I have noticed that ;

- the Fire Alarms system is common throughout the building and you must facilitate access to your premises when requested by the Landlord to ensure that the system can be suitably tested and maintained.
- You should also take part in regular fire drills when required. Further advice is contained within the attached guide/Fire Risk Assessment template (N.B. please attach relevant CLG guide).
- If you do not act in accordance with my advice and your legal requirements, the Fire Authority may serve an enforcement notice under the Regulatory Reform (Fire Safety) Order 2005 and may call for a review of the Premises Licence.
- Further advice is contained within the attached guide/Fire Risk Assessment template (N.B. please attach relevant CLG guide).

Should you require any further information, please do not hesitate to contact me.
