

## **Cabinet – 18 March 2009**

### **Determination of Admission Arrangements for Community and Voluntary Controlled Schools for the 2010/11 Academic Year**

**Portfolio:** Councillor Zahid Ali, Children's Services

**Service:** Walsall Children's Services - Serco

**Wards:** All

**Key decision:** Yes

**Forward plan:** Yes

#### **1. Summary of report**

This report sets out the proposed admission arrangements for primary and secondary community and voluntary controlled schools for the academic year 2010/11.

#### **2. Recommendations**

- 2.1 That the admission arrangements for primary and secondary community and voluntary controlled schools for the academic year 2010/11, as set out in **Appendix A** of this report, are agreed.
- 2.2 That the publication of the associated statutory notice is approved.
- 2.3 That Walsall Children's Services - Serco is asked to inform all consultees of the determination of the admission arrangements for 2010/11.

#### **3. Background information**

Walsall Council is the admission authority for community and voluntary controlled schools in Walsall. Section 89 of the School Standards and Framework Act 1998 requires admission authorities to determine the admission arrangements by 15 April 2009 for the 2010/11 school year.

#### **4. Resource considerations**

##### **4.1 Financial:**

- 4.1.1 There are no direct financial implications arising from this report other than the cost of publishing the statutory notice referred to in paragraph 4.2.4 below; this cost will be contained within existing education revenue budgets.

## **4.2 Legal:**

- 4.2.1 Walsall Council, as the admission authority, has a statutory duty to consult annually on the proposed admission arrangements for community and voluntary controlled schools.
- 4.2.2 Admission authorities are statutorily required to complete consultation on their proposed admission arrangements for the 2010/11 school year by 1 March 2009 and must determine (or finalise) these by 15 April 2009.
- 4.2.3 The proposed admission arrangements comply with the School Admissions Code.
- 4.2.4 A school's Planned Admission Number (PAN) is set in line with the net capacity assessment for the school. In order to ensure compliance with the legislation relating to infant class sizes, one primary school (Green Rock) has a PAN which is lower than its Indicated Admission Number (IAN). In these circumstances, the Council must publish a notice stating the reason why the PAN is lower and informing parents that they may object to the PAN. Details of the school where this applies are provided in **Appendix 1**. An updating of the Net Capacity Assessments for two primary schools has led to a revision of their PAN: the PAN for Leighswood has been increased to 75 and the PAN for Pelsall Village has been reduced to 45.

## **4.3 Staffing:**

- 4.3.1 There are no direct implications arising from this report.

## **5. Citizen impact**

The admission arrangements provide information for parents regarding admission to primary and secondary schools and will help them to decide upon their preferences when applying for a place for their child.

## **6. Community safety**

There are no direct implications arising from this report.

## **7. Environmental impact**

There are no direct implications arising from this report.

## **8. Performance and risk management issues**

### **8.1 Risk:**

- 8.1.1 The admission arrangements will be included in the *Information Booklet for Parents* publication. The provision of clear information will help parents to decide upon their preferences when applying for a school place for their child and will contribute to a reduction in the number of appeals.

### **8.2 Performance management:**

- 8.2.1 The DCSF has announced that it will collect data on the number of parents who obtain a place for their child at the secondary school which is their first preference.

## **9. Equality implications**

In line with the requirements of the School Admissions Code and in order to ensure greater equity and fair access, full consideration has been given to the possible impact, direct or indirect, of the proposed oversubscription criteria on equal opportunities.

## **10. Consultation**

- 10.1 Walsall Children's Services – Serco has consulted informally with all Walsall community and voluntary controlled schools during the autumn term 2008.
- 10.2 Formal consultation with all Walsall Schools, the Walsall Academy, Shelfield Community Academy, neighbouring LAs, Diocesan representatives and the Walsall Admission Forum took place during the spring term 2009.
- 10.3 A consultation response received from the Lichfield Diocesan Board of Education suggested two amendments to further clarify the admission arrangements relating to church places at voluntary controlled schools: the inclusion of the phrase 'up to' in criterion 5 and a definition of 'regular worshipper'. For ease of reference these are set out below in full:
1. That the oversubscription criterion 5 should be amended to read "up to 25% of places may be allocated as 'Church Places' to children, regardless of distance between home and school, whose parents are regular worshippers at a Christian church and whose application is supported in writing by the minister of the church where they worship."
  2. That the following definition of a regular worshipper should be included:  
"Regular worshipper is defined as attending a place of worship on at least one occasion per month over the past twelve months."

These have been incorporated into the Admissions Arrangements document attached as **Appendix A**.

## **2. OVERSUBSCRIPTION CRITERIA FOR PRIMARY AND SECONDARY SCHOOLS**

---

If there are more applications than there are places available, places will be allocated using the Oversubscription Criteria in the following order of priority:

1. Children in Public Care (looked after children). (see note 1)
2. Pupils who have an older sibling already in attendance at the school, or paired junior school when the application is made and who will be still attending the school at the proposed admission date. (see note 2)
3. Pupils for whom a place at the school is essential on medical or social grounds as supported in writing by a medical practitioner or a social worker.  
(Applications will be subject to verification by the Managing Director, Walsall Children's Services - Serco). (see note 3)
4. *For applications to junior schools only.* Attendance by the child at the relevant paired infant school, when the application is made.
5. *For applications to voluntary controlled Church of England primary schools only.* Up to 25% of places may be allocated as 'Church Places' to children, regardless of distance between home and school, whose parents are regular worshippers at a Christian church and whose application is supported in writing by the minister of the church where they worship.
6. Distance between the home address and the school as measured in a straight line with those living closer to the school receiving the higher priority. (see note 6)

If there is oversubscription in criteria 2 to 5, priority will be given to those living closest to the school as measured in a straight line.

### **2a. Explanatory notes for Oversubscription Criteria**

---

#### **1. Children in Public Care (looked after children)**

Children who are in the care of a local authority or provided with accommodation by a local authority.

#### **2. Sibling**

A sibling is a child who resides at the same address as the child for whom a place is being requested and is one of the following:

A brother or sister sharing the same parents;  
A half-brother or sister sharing one common parent;  
A step-brother or sister (i.e. related by their parent's marriage);  
Any other child for whom it can be demonstrated that he or she is residing permanently at the same address (e.g. under the terms of a residence order)

The Authority will try to ensure that as far as possible siblings (including twins, triplets or children from other multiple births) can attend the same school. However, in the event that there is an insufficient number of places to allocate to twins, triplets etc a decision will be made as to which child(ren) the place(s) are to be offered. In this situation a place

or places will be offered to the first born (older child(ren)) and in cases where this is not known, the offer will be decided by lot.

## **2a. Explanatory notes for Oversubscription Criteria**

---

### **2 & 4      The paired infant and junior schools are:**

Alumwell Infant	paired with	Alumwell Junior
Delves Infant	paired with	Delves Junior
New Invention Infant	paired with	New Invention Junior
Palfrey Infant	paired with	Palfrey Junior
Rosedale CE (C) Infant	paired with	Short Heath Junior
Sunshine Infant and Nursery	paired with	Blakenall Heath Junior
Whitehall Nursery and Infant	paired with	Whitehall Junior Community

### **3.            Social or medical factors**

If parents believe there are specific medical or social reasons for claiming priority for a child to attend a particular school, the relevant part of the preference form must be completed and evidence to support the claim must be submitted with the form. This must relate to the child.

Requests for such consideration will be subject to verification by the Managing Director, Walsall Children's Services – Serco. This is necessary because parents will be asking the Authority to assess the child as having a stronger case than many other children, some of whom may live closer to the school.

#### **Medical**

Medical evidence must be submitted in writing from a medical practitioner and should state why the preferred school is the only school that can meet the child's needs.

#### **Social**

Social evidence must be submitted in writing from an appropriate professional and should state why the preferred school is the only school that can meet the child's needs.

**Please note that only in exceptional cases are places prioritised in respect of a child's medical or social grounds.**

### **5.            Church Places at voluntary controlled Church of England primary schools**

Voluntary controlled Church of England primary schools with an admission number of 30 will offer a maximum of 7 Church Places; schools with an admission number of 45 will offer a maximum of 11 Church Places; schools with an admission number of 60 will offer a maximum of 15 Church Places. If there is over-subscription for Church Places, priority will be given to those living closest to the school as measured in a straight line. 'Regular worshipper' is defined as attending a place of worship on at least one occasion per month over the past twelve months.

### **6.            Distance**

Distance will be measured in a straight line from the centre point of the home address to the centre point of the school address using the Local Authority's

computerised measuring system with those living closer to the school receiving the higher priority.

### **Definition of a home address**

The home address of a child is considered to be the permanent residence of a child in a residential property when the place is offered. The address must be the child's only or main residence and is either:

- owned by the child's parent, parents or guardian; or
- leased to or rented by the child's parent, parents or guardian under lease or written rental agreement of not less than six months duration.

Documentary evidence of ownership or rental agreement may be required together with proof of actual permanent residence at the property concerned. In certain circumstances the child's current school will be asked to verify the address given.

Where parents have shared responsibility for a child and the child lives with both parents for part of the week, the main residence will be determined as the address where the child lives for the majority of the week. Parents may be requested to supply documentary evidence to support the address used for the application.

The offer of a place is based upon the address of the child when the offer is made. If a child is offered a place at an oversubscribed school the place may be withdrawn if it is found that the child moved (before the place was offered) to a new address which was further away from the school and the child would not have qualified for a place on the distance criterion.

In the event that a family moves between the application and the date of offer, the parent(s), carer(s) or guardian(s) must inform the Secondary/Primary Admissions Teams as soon as possible of these circumstances.

If the home address is a flat (or apartment) and there is more than one flat at the same address, priority will be given to applicants living at the lowest numbered flat and/or the flat on the lower floor.

## **3. MINIMUM ENTRY REQUIREMENTS FOR YEAR 12**

---

Each school is required to publish in their school prospectus the minimum entry requirements for entry into Year 12.

Pupils will be considered for entry into Year 12 based upon their academic attainment and/or individual subject grade criteria and the availability and suitability of courses at the school. Entry to Year 12 is not dependent upon attendance or behaviour records.

No community secondary school admits into Year 12 as a normal year of entry and therefore Year 12 admission numbers are not appropriate.

Pupils refused a place in Year 12 in their own school are entitled to appeal to an independent appeal panel.

## **4. OVERSUBSCRIPTION CRITERIA FOR NURSERY SCHOOLS AND CLASSES**

---

Applications for nursery places should be made direct to the school.

If there are more applications than there are nursery places available then places will be allocated using the Oversubscription Criteria in the following order of priority:

- A. Priority for nursery places will be given to children born between 1 September 2006 and 31 August 2007. If places are oversubscribed the following Oversubscription Criteria will apply:
1. Children in Public Care (looked after children). (see note 1)
  2. Pupils who have an older sibling already in attendance at the school, or paired junior school when the application is made and who will be still attending the school at the proposed admission date. (see note 2)
  3. Pupils for whom a place at the school is essential on medical or social grounds and supported in writing by a medical practitioner or a social worker. (Applications will be subject to verification by the Managing Director, Walsall Children's Services - Serco). (see note 3)
  4. Distance between the home address and the school as measured in a straight line with those living closer to the school receiving the higher priority. (see note 6)
- B. Where places are still available schools may only offer places to children who have attained the age of 3. If the remaining places are oversubscribed the Oversubscription Criteria 1-4, shown above, will apply.

If there is oversubscription in criteria 2 and 3, priority will be given to those living closest to the school as measured in a straight line.

## **5. APPLICATION PROCEDURES AND TIMETABLES FOR TRANSFER TO SECONDARY SCHOOLS**

---

Walsall Children's Services - Serco is working in partnership in an inter-LA co-ordinated admission scheme with a number of neighbouring LAs, namely Birmingham, Dudley, Sandwell, Staffordshire and Wolverhampton.

**On Friday 11 September 2009**, Walsall Children's Services - Serco will issue the "Walsall Preference Form" to enable Walsall parents of Year 6 children (who will transfer to secondary education in September 2010) to name up to 5 secondary schools, rank them in order of preference and give reasons for their preference. The Walsall Preference Form may be used to apply for a place at any secondary school in or outside the borough.

Parents who name Queen Mary's Grammar School, Queen Mary's High School, The Walsall Academy, a Specialist Music Place at Aldridge School or a Sports Place at Shelfield Community Academy on the Preference Form must also complete the school's own Registration Form.

Parents who name Blue Coat CE Performing Arts Specialist College, St Francis of Assisi Catholic School or St Thomas More Catholic Business and Enterprise College on the Preference Form must also complete the schools' own supplementary information form.

Preference Forms must be returned to the Planning, Admissions and Transport Team by the closing date of Friday 23 October 2009.

Preferences cannot be changed after the closing date without a significant change in circumstances, for example if the family has recently moved address. When notifying a significant change of circumstances the applicant must supply documentary evidence to confirm the change. An example of a significant change of circumstances is a house move that necessitates a change of preference(s). This would need to be validated by documentary

evidence such as a solicitor's letter confirming exchange of contract or a copy of the tenancy agreement.

All applications for named schools will be considered in accordance with each school's published admission criteria. Schools which are their own admission authority will be informed of all applications naming their school, but not the rankings. These schools will inform Walsall Children's Services - Serco of the order in which all applicants meet their admission criteria.

**By 16 November 2009**, Walsall Children's Services - Serco will exchange application data and supporting documentation in respect of pupils resident in Walsall, who have applied for schools outside the borough, with the appropriate maintaining LAs. Similar information will be received for applications from out of borough residents who have expressed preferences for Walsall secondary schools.

**By 10 January 2010**, Walsall Children's Services - Serco will input the results of all applications to Walsall schools and a list of potential offers will then be produced. These potential offers will then be exchanged with other LAs in respect of the results of out of borough applications. The information received will state which Walsall residents have the potential offer of a place in an out of borough school. This information will be transferred onto the Walsall database, compared to rankings and will result in a list of provisional offers.

**By 22 January 2010**, the provisional offers will be exchanged with other LAs in respect of out of borough applications. The information received will state which Walsall residents have a provisional offer of a place in an out of borough school. These will be transferred onto the Walsall database, compared to rankings and the results will be the final allocation of places at Walsall secondary schools.

**By 12 February 2010**, the final allocations will be exchanged with the other LAs in respect of the results of out of borough applications.

If a Walsall child does not meet the admission criteria for any of their ranked schools then Walsall Children's Services - Serco will allocate a place at the nearest alternative community secondary school with vacant places.

**On the National Notification Date, 1 March 2010**, Walsall Children's Services - Serco will, on behalf of the relevant admission authorities, write to all parents resident in Walsall, informing them of the outcome of their applications. This letter will also inform parents of the reason for the refusal of places, their right of appeal in that event and will give contact details for appeals information.

**By 15 March 2010**, parents will be required to confirm their acceptance or refusal of the place offered for their child by the completion of an acceptance/refusal form included with the offer letter. The offer of a place may be withdrawn if parents fail to respond by this date.

## **6. APPLICATION PROCEDURES AND TIMETABLES FOR ADMISSIONS TO RECEPTION AND TRANSFERS TO YEAR 3 FROM INFANT SCHOOLS**

---

Walsall Children's Services - Serco operates an in-LA co-ordinated admission scheme for primary school admissions. The primary scheme for 2010 follows a similar format to the secondary scheme.

**On Friday 16 October 2009**, Walsall Children's Services - Serco will issue the "Preference Form for Walsall Primary Schools" through primary, infant and nursery schools to enable parents to name up to 3 Walsall primary schools, rank them in order of preference and give reasons for their preference, for children:

- who are eligible for admission to a reception class, or

- who are required to transfer from a Year 2 class in an infant school to a Year 3 class in a junior school.

Parents of children who are in nursery provision in Walsall must complete a Walsall preference form if they want their child to join a reception class in a Walsall primary school.

Attendance at the school's nursery provision or co-located children's centre does not guarantee a place at the primary school.

Preference Forms must be returned to the Planning, Admissions and Transport Team by the closing date of Friday 4 December 2009.

Preferences cannot be changed after the closing date without a significant change in circumstances, for example if the family has recently moved address. When notifying a significant change of circumstances the applicant must supply documentary evidence to confirm the change. An example of a significant change of circumstances is a house move that necessitates a change of preference(s). This would need to be validated by documentary evidence such as a solicitor's letter confirming exchange of contract or a copy of the tenancy agreement.

All applications for named schools will be considered in accordance with each school's published admission criteria. Schools that are their own admission authorities will be provided with a list of information in respect of all applications naming their school, but not the rankings, together with copies of any supporting documentation. These schools will use the information provided to apply their admission criteria and will then inform Walsall Children's Services - Serco of the order in which all applicants meet their admission criteria.

The following schools are their own admission authorities:-

<b>Foundation Schools</b>	<b>Voluntary Aided Church of England Schools</b>	<b>Voluntary Aided Catholic Schools</b>
Manor Primary School	Blue Coat CE (A) Infant School	St Anne's Catholic Primary School
Park Hall Infant School	Blue Coat CE (A) Junior School	St Bernadette's Catholic Primary School
Park Hall Junior School	Cooper and Jordan CE(VA) Primary School	St Francis Catholic Primary School
Pheasey Park Farm Primary School		St Joseph's Catholic Primary School
		St Mary of the Angels Catholic Primary School
		St Mary's the Mount Catholic Primary School
		St Patrick's Catholic Primary School
		St Peter's Catholic Primary School
		St Thomas of Canterbury Catholic Primary School

Where a child meets the admission criteria of more than one of the schools named on the Preference Form then Walsall Children's Services - Serco will allocate a place at the highest ranked of those schools. Admission authorities will be advised of the pupils to be offered places.

On Monday 19 April 2010, parents will be notified in writing by Walsall Children's Services - Serco of the offer of one place in a Walsall primary school.

If a Walsall child does not meet the admission criteria for one of their ranked schools then Walsall Children's Services - Serco will allocate a place at the nearest alternative community or voluntary controlled primary school with vacant places.

**By 7 May 2010**, parents will be required to confirm their acceptance or refusal of the place offered for their child by the completion of an acceptance/refusal form included with the offer letter. The offer of a place may be withdrawn if parents fail to respond by this date.

## **7. LATE APPLICATION POLICY**

---

Preference Forms and, where appropriate, schools' own Registration Forms, received after the Closing Date, are classed as late applications. Any request to change the name or ranking of a school made after the Closing Date will be classed as a late application.

Late applications will normally be considered for places after all the applications that were received by the Closing Date. Therefore, late applicants may be less likely to be offered a place at one of their preferred schools.

If a Walsall Preference Form is received after the closing date the application will be passed to the appropriate admission authority for consideration under its Late Application Policy. Each admission authority is required to publish its own Late Application Policy which explains how late applications will be dealt with. The Late Application Policy for all Walsall community and voluntary controlled schools is shown below.

### **7a. Late Applications received up to 4 weeks after the Closing Date**

---

Late applications received up to four weeks after the Closing Date may be considered as being on-time but only where there are exceptional circumstances.

- Where the family were unable to complete the Walsall Preference Form by the Closing Date because they moved into the Borough of Walsall after the issue of the Walsall Preference Form
- The family were unable to comply with the admission timetable because of exceptional circumstances which prevented the Walsall Preference Form arriving on time
- When a single parent has been ill for some time

In these cases the circumstances must be given in writing at the time of application and attached firmly to the Walsall Preference Form: they will be subject to verification by the Managing Director, Walsall Children's Services - Serco.

This applies to applications for secondary schools received between 24 October and 20 November 2009. For primary schools, this applies to applications received between 5 December 2009 and 1 January 2010.

### **7b. Late Applications received more than 4 weeks after the Closing Date**

---

Applications for schools received more than 4 weeks after the Closing Date but before the Notification Date will be considered only after all other applications.

This applies to applications for secondary schools received between 21 November 2009

and 28 February 2010. For primary schools, this applies to applications received between 2 January 2010 and 18 April 2010.

### **7c. Applications Received After the Notification Date (once places have been offered)**

---

Applications received after the notification date: a place will be offered at the highest ranked school if places are available. For Walsall residents, if a place is not available at any of the ranked schools a place will be offered a place by Walsall Children's Services – Serco at the nearest alternative Walsall community or voluntary controlled school with vacant places and the child's name will be added to the Waiting List for schools listed as preferences in admission criteria order.

### **8. WAITING LIST POLICY**

---

Waiting Lists for all Walsall schools will be maintained by Walsall Children's Services - Serco until the last day of the autumn term on 18 December 2010. Parents may enquire about their child's position on any Waiting List by telephoning the Admissions Team on (01922) 686358/686357.

Children who are the subject of a direction by a local authority to admit to a school or who are allocated to a school in accordance with a Fair Access Protocol must take precedence over those children on the waiting list.

Waiting Lists are kept of all children who have been refused a place at any school which was ranked higher than the school at which they have been offered a place, for example

- If a child is offered a place at the school that was ranked 2<sup>nd</sup> on the Walsall Preference Form then the child's name will only be placed on the Waiting List for the school that was ranked 1<sup>st</sup>.
- If a child is offered a place at their first choice school the child's name will not be added to any Waiting List kept for their other ranked schools.

After 1 March 2010 for Secondary transfers or 19 April 2010 for Primary admissions a parent may contact the Admissions Team to apply for a place at an oversubscribed Walsall school. Their child's name will be placed on the school's Waiting List in admission criteria order. Any vacancies will be offered on the basis of the admission criteria for the school.

From January 2011, each oversubscribed Walsall school is responsible for starting and maintaining a new Waiting List. Parents should contact the school to be added to their Waiting List.

### **8a. Waiting List Policy for Casual Admissions to Primary and Secondary Schools**

---

A Waiting List is kept for any oversubscribed year group. The Waiting List will be kept in admission criteria order. Any vacancies will be offered on the basis of the school's published admission criteria.

Children who are the subject of a direction by a local authority to admit to a school or who are allocated to a school in accordance with a Fair Access Protocol must take precedence over those children on the waiting list.

A Waiting List is kept for one term only. On the last day of each school term the names of all children will be removed from the Waiting List. If a parent wants their child's name to be added to a new Waiting List they must write to the school at the beginning of the new school term.

Parents may enquire about their child's position on the Waiting List by contacting the school concerned.

## **9. DEFERRED ENTRY POLICY**

---

Children reach compulsory school age on the first day of the term following their fifth birthday. However, all Walsall primary schools provide full time places for pupils in a reception class from September in the year before children reach their fifth birthday.

If parents prefer their child to start later than 1 September 2010 they have the option of deferring the child's entry until later in the 2010/11 school year. Parents opting for this must notify the school in writing of the date they wish their child to start in a reception class.

Parents are not able to defer entry beyond the beginning of the term following their child's fifth birthday or beyond the academic year for which admission is sought.

The effect of this is that the place is held for that child and is not available to be offered to another child.

## **10. MID YEAR ADMISSION POLICY**

---

### **Nursery schools**

Parents wishing to move their children to a nursery school in Walsall should contact the school direct.

### **Primary and Secondary schools**

From the 2010/11 academic year, local authorities must formulate schemes for co-ordinating applications made during the academic year and applications for admission to age groups other than the normal year of entry ("in-year applications"). Local authorities must formulate schemes for the 2010/11 academic year by 1 January 2010.

**Parents of children with a statement of special educational needs (SEN) must contact the SEN Team of Walsall Children's Services - Serco or the LA that issued the statement if they wish to move to a school that is not named in Part 4 of their child's statement.**
