Tiered hierarchy of schools' information

Increase in strategic impact on the outcomes of children

- 1) Success measures of School Improvement Strategy: LA level measures around pupils' outcomes and Ofsted judgements of inspected schools.
- 2) Scorecards of the highest level measures broken down into subcategories a) Strong Leadership in Walsall schools is ensured, b) more schools are good and outstanding, and c) the progress and attainment of children is improved.
- 3) Strategic Action Plan (SAP) tracker: RAGged progress and impact of the actions agreed as contributing towards the School Improvement Strategy
- 4) Service delivery plans provide detailed operational improvement actions; Data Dashboard contains detailed school level data around Ofsted outcomes, Pupil progress and attainment, along with SI intelligence and bandings.

Increase in volume of information

Plan on a page overview

Priority:	Cumulative progress against actions	Action	Impact
1	Ensure strong leadership in all Walsall Schools		
2	Ensure the LA improvement strategy is fit for purpose		
3	Ensure the LA maintains an accurate and comprehensive knowledge of the performance of all schools.		
4	Ensure a robust and unambiguous approach to school categorisation, intervention and support.		
5	Ensure high quality school improvement across all sectors		
6	Ensure effective school to school support across the LA		

Key

Overall Headline measures (grey titles) are automatically calculated through the sum of the individual measures beneath them:

0 to 40% of score possible = bright red,

41 to 70% = bright amber and

71 to 100% = bright green
