

## **Funding Report**

### **Summary of report**

This report seeks to inform the Local Neighbourhood Partnership of the progress to date with regards to the funding priorities 2005-2006.

### **Recommendations**

1. The LNP is asked to note progress on projects
2. The LNP is asked to note the new projects for approval

### **Progress projects**

| Project Description  | Allocated               | Project Status |
|--|-------------------------|----------------|
| Additional activities to be combined with the 2005 Ready Steady Summer Programme           | £ 2,836.05              | Completed      |
| Refurbishment of changing rooms at Streetly Association,                                   | £10,000.00              | Completed      |
| Redhouse Estate Environmental Scheme, funding was allocated to landscaping design projects | £ 500.00                | Completed      |
| Lindrosa Road Railway line hotspot by Hardwick Wood  | £ 3,000.00<br>Allocated | In progress    |
| Benches at Aldridge Parade   | £2,163.95<br>Allocated  | In progress    |
| Community Notice Boards  | £3,500.000<br>Allocated | In progress    |

### **Lindrosa Road Railway line hotspot by Hardwick Wood**

Following the discussion at the last Safer Stronger Communities CAG on 22<sup>nd</sup> January 2007 on the positioning of the bollards to Lindrosa Road, a further site visit has been arranged with contractors in early February to discuss the scheme. A new set of plans will be drawn up after this visit.

### **Benches at Aldridge Parade**

The LNP Chair is currently seeking funding from another source to fund this project, if that is not available then LNP money will be spent to undertake this project.

## **Community Notice Boards**

The LNP agreed this project within the funding report at the last meeting pending that Walsall Borough Strategic Partnership would not be funding electronic notice boards across the borough. A further update regarding this will be provided at the LNP meeting.

All of the 2005/2006 LNP funding has now been allocated towards projects.

## **New Project Proposals**

The Community Action Group Meetings have had the following project proposals put forward :

### **Survey of replanting of trees in Aldridge and Streetly.**

A number of trees in various parts of the LNP area have been felled due to the trees reaching the end of their life, stumps now remain where the trees were previously blossomed. A number of residents have requested that new trees are planted to replace the stumps which will make the streets look attractive throughout the year. The LNP are requested to fund a survey regarding the felling, de-stumping and replanting of appropriate trees in the LNP area. The findings of the survey will be brought back to the LNP for consideration.

### **Litter Bin in Myatt Avenue.**

The Redhouse Tenants and Residents Association have through their Chair requested that an additional litter bin be placed outside the shops in Myatt Avenue. The current provision of one litter bin is not sufficient for the litter that is been generated in the area. The LNP are requested to fund one additional litter bin in that area. The cost of supply and installing a new bin will be approximately £250.
