

I work at [REDACTED]

[REDACTED], darlston
WS10 8JP I have found out
that another off ~~the~~ licence
is opening couple doors from
us which is not fair we
have been here for over 13 years
over the years we used to do
long hours which we used to
have a lot off drugs going
on abusive people outside
causing trouble, prostitute
drunken people know we have
changed the hours to 5.30 - 8.30pm
we have no trouble the neighbourhood
are happy and we are too we
would like to keep it this way
so can you tell 121A to
open something different that
we don't have here in the area
it would have been nice to

have been told about this
off licence that they want to
open to give chance for people
~~to~~ vote for. Specially
when they already have 2
food shops and a function

I find it would be a public nightmare the children and adults. I myself wont go green after 9 there is always drug issues n alcohol issues think it would be puttin fuel on to fire puttin 12oclock licence there. My children have been abused verbally n followed home on a number of occasions. I dnt think us a residents would like it to go ahead

Dear Mrs Archer,

Thank you for your email, unfortunately at this moment in time we are unable to accept your representation as relevant because concerns must be clearly expressed or identified in the body of the representation.

In accordance with the Licensing Act 2003, a representation may only be taken into account if it is 'relevant', which means it must state how or why you as the objector believes the grant of the licence would be likely to undermine one or more of the licensing objectives:

The licensing objectives are:

- The prevention of public nuisance;
- The protection of children from harm;
- Public Safety; and
- The prevention of crime and disorder.

Concerns must be clearly expressed or identified in the body of the representation and on that note what we need you to tell us is the impact it would have on you as the objector by using one or more of the objectives above, I have for your convenience attached a Guide to making a representation, hope it helps.

Please note that the closing date in respect of this application is 01 June 2021

If we can be of further assistance, please do not hesitate to contact us

Dear sir/madam

I wish to object to the above shop becoming an off licence

I have lived at the Green for over 15 years and the location does not need another off licence, the 1 there now has done a brilliant job in tackling the issues we had for many years with kids drinking and groups of men drinking on the fields right by the shops, they decided to close at 8 I believe for many years to stop this and now all the hard work could be lost, the green area is a community with a lot of retired people that want to feel safe and I know as before if another off licence opens and opens late the crime and kids drinking on the fields will happen all over again, please don't let this happen it's a lovely area right now where even the chop shop closes the same time as the off licence and the evening time it's so nice to walk around without seeing alcoholics abusing normal people

Thank you

Dear sirs

I am against the opening of the off license opening at 121a the green darlaston ws10 8jp. There is a pub open 50 yards away, a convenience shop that is also open till after 10, which sells alcohol, next to the pub, another pub 100 yards, the other way. I feel that the opening of this off licence will encourage heavy drinking and will add to the Heavy crime that is also in the area. This off licence is not needed, and should be rejected.

To whom it may concern

I am sending this email in regard to an application for a licence at 121A THE GREEN DARLASTON WS108JP.

I believe that if granted this would cause a nuisance late evening as we already have 2 off-licences in close proximity and they close earlier to avoid any nuisance and this area has noise from this premises from customers of the restaurant already and I oppose this application as a long standing resident of Victoria Mews for more than 25 years.

I believe this would not be a good thing for the area.

Good evening

I wish to raise my concerns about an application for the below premises to sell alcohol.

RE: 3 Star Booze Mart 121a The Green Darlaston
WS10 8JP

There are already a number of premises in close proximity that sell alcohol. I can think of at least 3 and 2 large supermarkets.

In addition the times requested for sales would encourage antisocial behaviour due to the late opening hours. There have been issues on green space adjacent to Windsor Walk when people congregate to consume alcohol.

I understand that there may be occasions at night when purchases would not be for alcohol but I feel that alcohol would make up a large proportion of sales at night.

Thank you for taking time to read my concerns.

Dear sir/madame

i'm writing to oppose the above potential off license ... i have owned and run the lifestyle express on the green for over 14 years ... when i first took over there was my shop a chip shop and a snooker hall, there was a lot of trouble both at night and morning time ... gangs ... drugs .. under age drinking .. i decided years ago i was determined to always put the area and the local people 1st i decided to close at 8.30pm and i saw the immediate impact on the area and was praised in doing so by all the locals .. we opened all threw covid and delivered at my own expense to the elderly and vulnerable .. there are a lot of elderly people living on the green ... the snooker club i.e the voujon lounge was shut down and it was turned into a restaurant .. it has a wedding venue upstairs and was constantly in trouble with fights .. anti social behaviour cars damaged... broken glass everywhere .. late night abuse to the locals and parking everywhere blocking the road and causing danger ..

now it's a restaurant .. wedding venue and potential off license and the same family own and run the voujon pizza next to the nags head pub ... the green is a lovely area with a lot of council houses and flats and private houses and flats and the age range is from the retired to young families .. i have always respected the area and for many years i decided to close the shop the same time as the chip shop at 8.30pm and thus giving the locals the evening where they can walk and take their kids to the fields on the green without lager louts and trouble makers ... and it's worked .. now these owners of the voujon lounge have split the once snooker hall into 3 businesses .. is this legal ?? was it done legally ?? is it disabled friendly ?? does the restaurant have disabled toilets ?? the potential off license that's been proposed was a furniture shop being operated during covid i witnessed this myself and told the owner this was illegal ..

i believe all my hard work for many years will be wasted if another off license opens up not only to my hard work in building my business up but the potential of a offy that's operating till midnight 7 days a week ... the green is a built up housing area it does not need 2 off licenses next to each other ... asda ,tesco other off licences are within walking distance .. so i firmly oppose the monopoly of 1 family wanting to open 4 shops in one stretch of the green .. my shop is run by me and my sister and we are not spring chickens but believe in hard work and ethics .

thank you

Good evening,

I object to yet another alcohol licence in Darlaston Green. 3 Star Booze Mart. 121a the green Darlaston.

My objections are listed below.

We already have two pubs a shop and the a restaurant within a two minute walks from my house selling alcohol. I have lived here since 1963 as have many of my elderly neighbours, and think we have enough noise at night without adding more.

There will be more undesirable people in the street. More rubbish and more cars parking on the pavements.

Darlaston Green has enough establishments selling alcohol without adding more.

I look forward to hearing your decision in this matter.

Yours Faithfully

Dear sir/madame

I wish to oppose the off license opening up on the green I run a barbers over the road and have run it for many years all the other shops all play there part in ensuring the area is always clean and protected, I remember many years ago when there was trouble every night here and the off license reduced there hours and everything stopped the area is built up and has all forms of people living here I think it would be wrong to have another off license here as I strongly believe it would create crime and anti social behavior

Hi there,

I believe I made a point in regards to nuisance and safety regarding the area if a 2nd off license opens up and serves alcohol till midnight in addition the owners already have had problems with fights and glass bottles all outside the restaurant, I also have kids and I would not feel safe walking past a off license that is open till midnight, the off license now on the green shuts at 8.30, its a beautiful area and should stay the way it is.. The green is not a high street or town centre where it needs numerous off license

Thank you

Hi there,
I'm sending this email concerning the application of '3 Star Booze Mart' 121A The Green WS10 8JP.
We live in the area and are happy with the shop that we already have. We don't want that shop opening all hours of the night which will then invite alcoholics and drunken groups of people.
At the moment people from around the area help to clean up and it will just cause more mess having that shop open.
People walk their dogs at night time including myself and I would not be happy or feel safe walking the streets around there.
There is hardly any trouble at the moment and we want to keep it that way, adding an off-license opening all hours will cause antisocial behaviour.

Kind Regards
Melissa Edwards
