

Equality Impact Assessment Screening

Title:	Street Scene Strategy	
Officer completing:	Kathryn Moreton	
Description of proposal and/or objective:	Our streets matter. They can encourage people to be more active, improve health and well-being, reduce pollution, bring neighbours together and discourage crime. The Walsall Council Street Scene Strategy will provide residents, communities and visitors to the borough with a clear outline of the Council's aspirations and holistic approach to maintaining and improving residential street scene. By developing an approach to improve and maintain our street scene, the Council will contribute to positive outcomes for our residents and create a better environment in which to run a business.
