9th Sept
2019

Dear Sir/Madam,

I wish to object to the extended opening hours of the off license 'Riga' on 16 West Bromwich Street, Walsall, WS1 4BW. We already have an issue in the area of heavy drinking and anti social behavior due to the consumption of alcohol, by extending the opening hours, this issue will only increase.

The concerns of the residents have already been ignored about opening too many off licenses in Caldmore, to open until 3AM is a further overlook of these complaints.

Having a small notice in the window is not enough to inform people of the extension of the opening times. Instead, leaflets should be distributed to residents in the area, please bear this in mind for future reference.

Yours sincerely,

Rashida Mayat
