To whom this may concern, I would like to make a complaint about Riga off licence shop 16 Westbromich Street, Caldmore, Walsall Walsall. I have used this shop a few times to buy cigarettes and alcohol and they have been fake and made me sick, I took the vodka to a different shop and they told me it was fake polish vodka, myself and my partner have seen serve paralectic drunk customers to more alcohol, we have also witnessed underage kids being served to cigarettes and alcohol.

I am a local resident I am concerned about him applying for extra opening hours, it will bring more trouble to the area. I have 2 small children and I have to pass by Riga everyday there is always people outside drinking blocking the pavement, I have to walk on the road with my pushchair because I feel intimidated, I feel there is already enough shops in Caldmore selling cigarettes and other alcohol, one more shop with extra hours will just cause more problems, my advice would be to take licence from Riga shop. I would like to keep myself anonymous.  
Thank you
