2.2 The DfE in much of its correspondence is principally concerned that school sectors have appropriate representation for the vote on a proposed funding formula. Walsall Schools Forum can respond to this in three ways:

- a) Maintain all current members and current voting rights but increase academy representatives by two members. This is achievable because the draft regulations state:

Section 4, (5) Subject to paragraphs (6) to (9), primary schools, secondary schools and Academies must be broadly proportionately represented on the forum, having regard to the total number of pupils registered at them.

An authority may determine that the number of members representing schools in a particular school category must be broadly proportionate to the total number of schools in that category when compared with the total number of schools maintained by the authority.

The term 'broadly' allows a certain degree of latitude. Maintaining current membership would not alter the overall voting rights.

- b) Reduce voting rights on the **formula only** for one maintained secondary representative and one maintained primary representative.
- c) Look to reduce membership overall

2.3 Walsall contacted the DfE and asked the following question and received the following answer:

**Q.** Are academies allowed to nominate representatives from non-academy schools to represent them? We have mainly secondary academies and they are happier to have reps from the secondary group as a whole. As long as primary academies are happy to vote on this, then is there any reason why this cannot be the case?

**A.** How Academy members are elected and who they are is for the Academies to determine. Their role is however to represent the governing bodies of the Academies in the local authority area.

2.4 The comment from DfE once again confirms that it is the role of Academies to choose their members. A recent election for academy governors saw 3 governors stand for 2 places. There was a tie in second place. The suggestion to Academies is to appoint the third candidate to one of the currently vacant academy places.

2.5 Academies would then need to select a further representative.

### **3. Table of Pupil Numbers**

3.1 **Table 2** is reproduced from June 2012 report for members information:

**Table 2**

<b>Jan 2011 Census</b>	<b>Maintained Primary</b>	<b>Maintained Secondary</b>	<b>Academies</b>	<b>Total</b>
Pupil Numbers	21,518	3,769	15,669	40,956
% Pupil Population	53%	9%	38%	100%
Current membership	10	3	4	17
Proposed Membership	9	2	6	17

**4. Recommendations for Academy Representatives Only**

4.1 To approve appointment of the third governor from the recent academy governor elections

4.2 To develop a process to select a 6<sup>th</sup> member

**5. Main Recommendations**

5.1 To maintain current membership and voting patterns and add a further 2 academy representatives (as detailed in Table 1)

Or

5.2 To nominate 1 member from maintained secondary and 1 member from maintained primary to stand down

Or

5.3 To reduce membership by 1 for maintained secondary and maintained primary.

5.4 To approve the response to the consultation in **Appendix 3**

5.5 To note the changes in regulations

### **Appendix 3**

Dear Sir/Madam

Walsall Schools Forum have had considerable debate about around the Consultation Draft Schools Forums (England) Regulations 2012. Please the comments below in relation to the consultation:

- Members of the Schools Forum were disappointed to see that the regulations once again seem to create a divide between academies and maintained schools. Representatives from for example the secondary sector, feel they represent all secondary schools in the borough and see no distinction between maintained or academies.
- Revising the regulations in such way will mean that some very experienced and valuable members of Schools Forum may be lost to the Schools Forum due to changes in pupil numbers. This does not seem to add any value to Walsall schools or Walsall Schools Forum.

On Behalf of Walsall Schools Forum

School Forum Regulations 2010  
13 June 2012

Dear Colleagues,

**Consultation on changes to the Schools Forums regulations 2010:**

On 26 March 2012 the Secretary of State published *School funding reform: next steps towards a fairer system*. This explains how the Department plans to proceed until the end of the current spending review period. The document can be downloaded below:

[School funding reform: Next steps towards a fairer system](#)

In **Section 1.6** we refer to Improved Schools Forum arrangements and the need for local decision-making to operate in a consistently fair and effective way and in consultation with schools and academies. We have therefore reviewed the legislation relating to Schools Forums, proposing to revoke and replace the Schools Forums Regulations 2010. Attached are proposed new draft regulations which are consistent with the decisions we have already announced.

For 2013-14 we have said that we will take the following steps to amend the Schools Forums Regulations as stated below:

1. We are removing the requirement to have a minimum of 15 people on a Forum
2. We are restricting other local authority attendees from participating in meetings unless they are a relevant Lead Member, Director of Children's Services (or their representative), Chief Finance Officer (or their representative), or are providing specific financial or technical advice (including presenting a paper to the Forum) (*regulation 8(3)*).
3. We are restricting the voting arrangements by allowing only schools and Academy members (and the private, voluntary and independent sector - PVI members) to vote on the funding formulae (*regulation 8(11)*). Additionally, draft regulation *8(12)* covers the items we have announced which will be subject to de-delegation. These will be specified in the finance regulations and only the relevant maintained school members of the forum will be able to vote.
4. We are requiring local authorities to publish Forum papers, minutes and decisions promptly on their websites (*regulation 8(13)*).
5. We are requiring Forums to hold public meetings, as is the case with other Council Committees (*regulation 8(1)*).

We will also give the EFA observer status at School Forum meetings (*regulation 8(3f)*) with the right to participate in discussions. This will enable the EFA to support the local process and to provide a national perspective. .

As a result of other funding changes, we also propose to:

1. Include Pupil Referral Units as a separate group among schools members, to reflect their receipt of delegated budgets from April 2013 (*regulation 5(2)(e)*)
2. Remove the requirement for local authorities to consult schools forums annually about arrangements for free school meals and insurance as these are to be allocated through the formula in future (*current regulations 10(1)(d) and 10(1)(f)*).

To summarise:

- Regulations 3 to 8 provide for the constitution of a schools forum, including the election of schools members, the election or selection of Academies members and the appointment of non-schools members to the schools forum, their meetings and proceedings.
- Regulations 9 to 11 require the authority to consult their schools forum before entering into certain types of contract and annually in relation to a range of financial issues and the governing bodies of schools maintained by them to be informed of any such consultation.
- Regulations 12 and 13 require the authority to pay the expenses of their schools forum out of the schools budget and the reasonable expenses of its members.

A full regulatory impact assessment has not been produced for this instrument as no impact on the private or voluntary sectors is foreseen.

The draft Schools Forums (England) Regulations 2012 are attached .We are setting a four week consultation period, unfortunately this has to be a short period as the aim is for the regulations to be in force by early October 2012. Therefore, comments need to be returned by 11 July 2012.

Could you send your comments to EFA [reformteam.funding@education.gsi.gov.uk](mailto:reformteam.funding@education.gsi.gov.uk)  
By 11 July 2012 please?

Yours sincerely,

Keith Howkins,
