Portfolio:	Community Engagement
Service Area:	Neighbourhood Services
Wards:	Pheasey Park Farm & Paddock

Summary of report

The purpose of this report is to inform the LNP of the progress of the various task groups.

Recommendations

1. For LNP members to continue in attendance at the workshop meetings
2. For individual LNP members to encourage wider participation from community members within the task groups
3. For the LNP to note the dates of the future workshops

Feedback from workshops

10th November – Partnership plan review:

This was cancelled due to the high volume of apologies and was deferred to the next workshop.

1st December - Partnership plan review:

At the last LNP meeting members agreed to carry out a review of the partnership plan in preparation for 2006-2007, this workshop initiated that process. Participants went through the plan and discussed each action. Each action was signed off, removed from the plan or suggested to be carried forward as a possibility for next years plan. The review process will continue at the next workshop where participants will have the opportunity to make further suggestions for 2006-2007. The process determined by the LNP team will scrutinise the suggestions made by LNP members and the wider public and will hopefully represent a plan of action for 2006-2007 reflecting local needs.

The next workshop continuing the partnership plan review will have taken place on 9th January 2006. As this report has been sent prior to the meeting, outcomes from the workshop are not included.

9th January 2006 – Partnership plan review (2nd Session):

As this meeting took place after this report was sent out a verbal update will be provided.
