Subject: RE: WS/PRL/0048 - Variation Application - Pelsall Cricket & Sports Club

Hi

There are no comments or concerns regarding this application from Community Protection. I have spoken at length with Ian Rushton and I am more than happy with the conditions that they have provided as part of their operating schedule and that all public events that take place will be submitted to the Safety Advisory Group with a full event management plan in place for all responsible authorities to see and advise on.

Thanks
Sarah
