

Pheasey and Paddock Local Neighbourhood Partnership - 11th July, 2005

Venues for Future Meetings

Purpose of Report

The purpose of the report is to enable Members of the Pheasey and Paddock Local Neighbourhood Partnership (LNP) to give consideration to the time and venue, within the LNP area, for their meetings.

Recommendations

To agree the venues suggested for future meetings set out in the report and to confirm that meetings will commence at 6.00 p.m.

Financial and Legal Considerations

The financial cost of holding meetings of the LNP at venues within the LNP area will be met from existing budgets.

Meetings of the LNP will be open to the public. Notice of the meetings, therefore, needs to be posted at the proposed venues in accordance with the Local Government (Access to Information) Act, 1985.

Venues

It is important for the venues for the meetings of the LNP to be as accessible for as many people as possible across the LNP area. The Partnership has agreed, therefore, to hold the meetings at different venues within the LNP area, alternating, availability permitting, between Pheasey and Paddock.

Venues need to be accessible, as far as possible, by public transport, have car parking facilities and be accessible to people with disabilities.

Proposed venues are as follows:-

(11 th July, 2005	Beacon Church, Collingwood Drive)
17 th October, 2005	Venue in Paddock to be confirmed
17 th January, 2006	Pheasey Park Farm Community Association, Hillingford Avenue
11 th April, 2006	St. Martins Church Hall, Daffodil Road

The Partnership has previously agreed that meetings should commence at 6.00 p.m.
