Background

1. In February 2011, the audit committee resolved that one independent member should be appointed to the committee. An interview panel was set up consisting of 4 elected members from amongst the audit committee membership to ensure political balance, with delegated authority to interview candidates for the position.
2. The interview panel unanimously resolved that Mr Green be recommended to Council for formal appointment to the position.

3. Independent members do not receive a member's allowance, although their travel and subsistence expenses will be paid on application. They are not affiliated to any political party.
4. Mr Green in 2011/12 Municipal Year attended all of the audit committee meetings and in the current year has attended 83.33% of the meetings. During these two years Mr Green has been an active member of the audit committee contributing regularly to the debate.
5. Mr Green has expressed a willingness to undertake a further term.
6. On the 3 September the audit committee resolved to increase the number of independent members to 3. This was approved by council on the 24 September 2012.
7. A recruitment process will be undertaken. The intention is for the length of terms of the 3 positions to be staggered as this may assist in maintaining a continuity of independent lay members.
8. In order for that continuity to be maintained it is recommended that Mr Green's term be extended for a further 2 years.
