

BRIEFING NOTE

Agenda Item

No. 6

TO: SOCIAL CARE & INCLUSION SCRUTINY PANEL

DATE: 24 MARCH 2011

RE: SCI RESTRUCTURE & PROGRESS UPDATE

Purpose

To update the Panel regarding the restructure and progress of services.

Care Management

The restructure is progressing with the first round of interviews successfully completed for care service managers. The process will now move to the second round of interviews which will be for operational manager posts.

Re-ablement Services

Work also continues to re-configure community-based services, with the training of those staff responsible for the delivery of re-ablement support close to completion, as well as links established with other services.

Overall Year End Position

Across Adult Social Care and Inclusion performance has improved, while budget targets have also been met. Officers are also set to take forward a joint working agenda with local health partners, as well as pursuing the further development of personalisation and preventative services.

Recommendation

The Scrutiny Panel is requested to:

note the update in relation to those services within its remit.
