The Borough Resource Allocation Group is a management group of key partners and service providers, who meet monthly, to review and analyse current community safety data across the Borough. The group makes recommendations to the Safer Walsall Borough Partnership who task and coordinate resources in a multi agency response in order to improve hot spot neighbourhood issues and to meet the strategic objectives outlined in the strategy

The task group highlighted 5 themes that they would like BRAG to pursue further. The identified themes were

Anti-social Behaviour

Dog Fouling

Traffic issues

Litter issues

Mini motorised scooters

BRAG will be in the Pelsall and Rushall LNP area from 30th January 2006 for 4 weeks.
