

**Pheasey & Paddock Local Neighbourhood Partnership**  
**11<sup>th</sup> July 2005**

**Partnership plan**

**1. Brief Summary of Report**

The purpose of this report is to inform the LNP of the additions and progress made to the Partnership Plan

**2. Work to date**

The LNP undertook a *Access/Partnership Working* task groups workshop on the 26<sup>th</sup> May 2005, which was held at the Collingwood Centre.. The aim of the workshop was for members to focus upon the Access and Partnership Working issues and identify next steps to tackling the priorities identified.

The first part of the workshop consisted of a presentation provided by Bruno Edwards from the Community Arts team on road signage within the LNP area. This presentation was originally scheduled for the 11<sup>th</sup> April LNP meeting however due to time restrictions the presentation was deferred to the task groups meeting. Bruno presented future signage plans for the area and simultaneously consulted the workshop participants on possible locations of the signs and the possible themes of the signs. Prior to this meeting Bruno conducted a consultation with Pheasey & Paddock residents on 15<sup>th</sup> April. The consequent write up by Bruno on both consultations is attached illustrating the suggestions made at the workshops.

As the workshop was not well attended the group decided to not look at the partnership plan and identify next steps as there was so few who attended. A future workshop will be arranged to revisit these 2 themes.

In addition to the normal task groups meeting a further workshop was arranged to look specifically at the funding allocated to the LNP. The funding workshop report has been attached under another specific item.

**3. Recommendations**

- For LNP members to continue in attendance at the workshop meetings
- For individual LNP members to encourage wider participation from community members within the task groups

- Black lead Church

**Other Community Comments:**

- What does the name Pheasey *mean*.
- There is nothing here.
- one lady worried about drivers being distracted
- Too many signs - will the old ones be removed?
- Can the bronze map on the Beacon be replaced?
- The sign should say Pheasey not Pheasey Paddock
- Is there something wrong with the present signs. (the Purple ones)
- Is J9 to be marked with 2 signs
- What is happening to the Ikea sign
- What about marketing the Borough in Birmingham and Wolverhampton
- Could you have Walsall in big letters in the grass in the Arboretum - one in gravel so it could be seen from aircraft as they take off from the Airport.
