

17 October 2005

Request for Medical Centre in Paddock

Report

This report has been prepared in response to the Local Neighbourhood Partnership's request at its meeting on 11th July, 2005 that the Council seeks to identify a suitable site for a new doctor's surgery in the Paddock area.

The Partnership is advised that officers from the Development Team from Urban Regeneration and Estate Management are due to meet shortly with representatives of the tPCT to establish their likely requirements and to discuss initial options.

A further report on progress with this project will be presented to a future meeting.

Recommendation

To note the report.
