Deprivation Review: Consultation

Members of the Schools Forum are requested to receive this report for information

1. Purpose of the Report

The purpose of the report is to update members of the Forum on the progress of the Deprivation Review.

2. Consultation Document

The second proof of the consultation document will be distributed at the meeting. Every Headteacher in the Borough will receive a copy of the consultation, as will every Chair of Governors. Responses to the consultation document will be requested by the end of the Summer Term.

The Forum will be able to study the responses before taking any decisions affecting the budgets for the 2008 – 2011 period.

3. Roadshows

As the consultation on deprivation funding will deal with some complex information, Education Walsall staff will offer two roadshows, which Headteachers and Governors can attend. Both will be twilight sessions, times and venue to be advised.
