

23 JULY 2012

Area Partnership Working Group - Membership

Ward(s) All

Portfolios: Cllr I. Shires – Community Engagement & Voluntary Sector

Report:

At its meeting on 18 June 2012 the Panel agreed to establish a working group to consider area partnership arrangements. Members agreed to commence this investigation upon the conclusion of one of its two existing working groups considering Litter and School Catering.

It is likely that the Litter Working Group will conclude its investigations shortly. Therefore to expedite the commencement of the working group on area partnerships it is suggested that the Panel appoint a small group of Members from mixed political groups to begin the new piece of work upon the completion of the Litter Working Group.

Recommendations:

That, subject to any comments Members may wish to make, a small group of Members from mixed political groups be appointed to the 'Area Partnership Working Group'.
