FORWARD PLAN

The forward plan sets out decisions that are termed as “key decisions” at least 28 calendar days before they are due to be taken by the Executive (Cabinet). Preparation of the forward plan helps the Council to programme its work. The purpose of the forward plan is to give plenty of notice and an opportunity for consultation on the issues to be discussed. The plan is updated each month with the period of the plan being rolled forward by one month and republished. The plan is available for public inspection at the Civic Centre Reception, Darwall Street, Walsall. Copies of the plan can be obtained from John Garner, Democratic Services, Walsall MBC, Council House, Walsall, WS1 1TW, 01922 654366. The forward plan can also be accessed from the Council’s website at www.walsall.gov.uk. The Cabinet is allowed to make urgent decisions which do not appear in the forward plan, however, a notice will be included on the agenda for the relevant Cabinet meeting which explains the reasons why.

Please note that the decision dates are indicative and are subject to change. Please contact the above addressee if you wish to check the date for a particular item.

Cabinet responsibilities are as follows

- Leader of the Council – Councillor Bird
- Economy and development – Councillor Andrew
- Care and safeguarding – Councillor Hughes
- Clean and green – Councillor Harrison
- Community, leisure and culture – Councillor Harris
- Learning skills and apprenticeships – Councillor Towe
- Personnel and business support – Councillor Bennett
- Public health and wellbeing – Councillor Martin
- Shared services and procurement – Councillor Arif

The Cabinet agenda and reports are available for inspection by the public 7 days prior to the meeting of the Cabinet. The papers can be seen at First Stop Shop at the Civic Centre, Walsall. The papers are also available on the Council’s website referred to above shortly before the meeting. Background papers are listed on each report submitted to the Cabinet and members of the public are entitled to see these documents unless they are confidential. The report also contains the name and telephone number of a contact officer. These details can also be found in the forward plan.

Meetings of the Cabinet are open to the public and take place in Conference Room 2 at the Council House, Walsall. Occasionally there are items included on the agenda which are confidential and for those items the public will be asked to leave the meeting. The forward plan will show where this is intended and the reason why the reports are confidential. Enquiries regarding these reasons should be directed to the Head of Democratic Services, John Garner on 01922 654366.

The forward plan does not list all decisions which have to be taken by the Cabinet only “key decisions” which are those decisions which have a significant effect within the community or which involve considerable expenditure or savings. With regard to key decisions the Council’s Constitution states:

- (1) A key decision is:
 - (i) any decision in relation to an executive function which results in the Council incurring expenditure which is, or the making of savings which are, significant, having regard to the Council’s budget for the service or function to which the decision relates or
 - (ii) any decision that is likely to have significant impact on two or more wards within the borough.
- (2) The threshold for “significant” expenditure/savings is £250,000.
- (3) A decision taker may only make a key decision in accordance with the requirements of the Executive Procedure Rules set out in Part 4 of this Constitution.
