Good Morning,

In relation to an application for a premise licence for Andys Brewhouse, I have now completed my enquires and have agreed two additional conditions with the agent Rob Edge.

West Midlands Police have no representations to make subject to the below conditions being added to the premise licence should it be granted.

1. The tables and chairs situated at the front of the premises shall be reserved exclusively for use by patrons of the premises. These areas will be actively monitored by staff at all times during the hours of operation to ensure that only patrons of the premises are using them
2. The premises shall not hold or host events specifically for persons under the age of 18.

Regards and thanks

Liz

Hi Elizabeth,

Good to talk to you earlier.

I have discussed this with the applicant, and he is happy to have the following conditions added to the operating schedule of the premises licence, assuming that you will not submit representations.:

Crime and Disorder Licensing objective.

1. The tables and chairs situated at the front of the premises shall be reserved exclusively for use by patrons of the premises. These areas will be actively monitored by staff at all times during the hours of operation to ensure that only patrons of the premises are using them

2. The premises shall not hold or host events specifically for persons under the age of 18.

Regards

Rob

Rob,

Good to talk today.

As discussed, please can you speak to your client to iron out the following with suitable proposed conditions around

- no under 18's parties/events
- tables/chairs to be fully supervised by DPS and to make it obvious that they are not for general use, taking into account that if they are asking for this in the future there needs to be full consideration of a potential pavement licence.

As you are aware, the timescales are quite tight on this, so a quick response would be appreciated.

Regards and thanks
