	<p>As of 31 March 2023 the total number of Walsall Council employees (excluding Schools) were 3015. The Council's workforce is made up of 67.23% females. 22.65% of the workforce are classified as minority ethnic. In total there were 161 employees (5.34% of the workforce) who declared they had a disability, as defined by the Equality Act 2010. 3.35% of the workforce are under 25 years of age, 33.2% of the workforce are 55 years or older, 55-59 years old are the largest age group making up 16.65% of the workforce.</p> <p>For the first time, the 2021 Census included (voluntary) questions for those aged 16 and over on gender identity, alongside questions on other protected characteristics. We now know there are just under 600 residents (0.3% of the population aged over 16) whose gender identity is different to the sex they were registered with at birth. Of those providing further detail, around 200 identify as trans men and 200 as trans women.
