Update from previous CAGs

25th September 2006 Safer Stronger

Simon Tranter, Environmental Regeneration attended to do a presentation on the Designing a Better Walsall Framework and asked for feedback in the form of questionnaires about good and bad design within the LNP area and why they thought that.

Also a presentation was made by Marie Newton about the future of the Local Accessibility Action Plan in Walsall.

9th October 2006 Health and People

Ety Martin attended in order to prioritise the pledges of the LNP. Unfortunately this CAG was not very well attended and the practicality, regularity and relevance of the CAG was questioned. 2 priorities were decided upon; Health Provision in the Delves and Health Visitors (Palfrey CA).

The following CAG meetings will take place. Please note that a Drop in session will take place between 6.00 and 6.30PM for members to log their issues with the LNP team. These issues will then be fed into services and partner agencies for responses:
