**Portfolio:** Councillor M.A. Bird – Leader of the Council

**Related portfolios:** All

**Service:** Policy & Strategy Unit

**Wards:** All

**Key decision:** Yes

**Forward plan:** Yes

#### **1. Aim**

- 1.1 To report on Quarter 2 of the 2022/23 Council Plan Markers of Success – highlighting achievements for that period and any support requirements to ensure the Markers are met.

#### **2. Summary**

- 2.1. The new Council Plan was published In May 2022 and continues to present Walsall's intention to focus on the five (5) EPICC<sup>1</sup> priorities, which were first introduced in the 2018/21 publication.
- 2.2. These priorities are underpinned by 10 outcomes (two outcomes per priority) and each outcome has two Markers of Success (two markers per outcome).
- 2.3. These 20 Markers of Success are the tools to measure performance throughout 2022/23, which informs the Council, Walsall residents and businesses and provides data/information to review and monitor throughout the year.
- 2.4. The performance for each Marker of Success will be reported to Cabinet on a quarterly basis.
- 2.5. This Paper is the report on the Markers of Success, covering the period July – September 2022 (i.e. Quarter 2)

---

<sup>1</sup> Economic growth, People, Internal focus, Children, Communities

### 3. Recommendations

- 3.1. That Cabinet notes the baseline measures set for 2022/23 and the performance in Q2 relating to the period July-September 2022
- 3.2. That Cabinet notes any key achievements, identified interdependencies and support required to achieve the Outcomes, set out in this report

### 4. Report detail - know

#### **Context**

- 4.1. A three-year Council Plan for 2022-25 was approved by Council and published in May 2022.
- 4.2. The Council Plan sets out 5 areas of focus (EPICC), 10 outcomes and 20 markers of success to assess performance and progress in delivery of the plan.
- 4.3. The quarterly reports present the Council directorates' performance in relation to the agreed areas of focus (*see priorities and aimed outcomes below*)

#### **Council Corporate Plan priorities**

- 4.4. The five Council Plan priorities and ten outcomes:

<b>Priorities:</b>	<b>Outcomes:</b>
<b>Economic:</b> enable greater local opportunities for all people, communities and businesses	1. Supporting a dynamic, resilient and diverse economy where businesses invest and everyone has the right jobs and the right housing in the right place
	2. Education, training and skills enable people to contribute to their community and our economy
<b>People:</b> encourage our residents to lead active, fulfilling and independent lives to maintain or improve their health and wellbeing	3. People can access support in their community to keep safe and well and remain independent at home
	4. People are supported to maintain or improve their health, wellbeing and quality of life
<b>Internal focus:</b> Council services are customer focused effective, efficient and equitable	5. We get things right, first time and make all services accessible and easy to use
	6. The Council will deliver trusted, customer focused, and enabling services, which are recognised by customers and our partners for the value they bring

<b>Children:</b> have the best possible start and are safe from harm, happy, healthy and learning well	7. Children and young people thrive emotionally, physically, mentally and feel they are achieving their potential
	8. Children grow up in connected communities and feel safe everywhere
<b>Communities:</b> empower our communities so that they feel they are connected and belong in Walsall, creating safe and healthy places whilst building a strong sense of community	9. Our communities will be more resilient and supportive of each other
	10. People are proud of their vibrant town, districts and communities

- 4.5. Responsibility for reporting performance against the Council Plan from 2022/23 onwards now lies with the Policy & Strategy Unit. This will allow the teams across the Hub to work closely with services to develop an insightful understanding of performance to help drive the achievement of our outcomes. However, Hub development is still ongoing and it is not yet operating at its full complement, so it was agreed with Corporate Management Team and Directors' Group that the existing Markers of Success would be continued for 2022/23, alongside development of the future process.
- 4.6. Each Marker of Success has an agreed baseline, the 'point zero' from which this year's Outcomes will continue to be measured. Each quarter, a template questionnaire is completed by the named 'data owner' and signed off by a director, which then populates the Dashboard.
- 4.7. Following adoption of the Council Plan 2022/25, some of the Outcomes and Markers of Success have been revised and the measures reported last year no longer reflect the Outcome. Where this is the case, new measures and baselines are being developed with Directors and data owners.
- 4.8. The summary below shows overall progress against targets. All outcomes have either met or exceeded the target set or are on course to do so by the end of 22/23 (including some outcomes where measures are still being developed and a narrative update has been provided).

Performance	Qtr 2	
Green	7	MoS met / exceeded target
Amber	13	MoS close / on track to achieving target
Red	0	MoS did not achieve target
Grey	0	Data/information not yet available

- 4.9. Overall performance compared with last year will be possible once returns are available for all priorities. And further Key Achievements will be included as an appendix should additional data be provided.

- 4.10. Data owners were also asked to identify 'interdependencies' alongside performance returns. While these are clearly understood for some Markers of Success, this is not the case across all, so gives only a partial picture of the work that is happening. Going forward, a more complete set of interdependencies will be identified and expanded, to fully understand the directorates' focus on building and developing partnerships, internally and externally, to optimise service delivery. These will be included in a future quarterly performance report.

### ***Risk management***

- 4.11. Risks have been identified with regards to submitting quarterly and updating data for the agreed quarterly returns:
- i. Incomplete / current data unavailable,
  - ii. Resource constraints e.g. staffing,
  - iii. Unexpected demands from COVID e.g. having to redirect capacity to support the impact of the virus
- 4.12. Directors have identified what actions they will be taking and what additional support is required next quarter to achieve the 2022/23 Marker. These risks will be regularly reviewed.
