Agenda  
Item No. 8

4 September 2018

### Work Programme 2018/19

Ward(s) All

Portfolios: Councillor Chris Towe – Education & Skills

#### Report:

The purpose of this report is to provide for consideration and approval an updated proposed work programme for the Committee for 2018/19.

The proposed work programme, which is attached an appendix to this report, takes account of the items that were identified at the Committee's June 2018 meeting, together with those items that were considered appropriate to be carried forward from the 2017/18 municipal year. For ease of reference, the items are set out in the table on a meeting-by-meeting basis.

Also included in the work programme are the three working groups that it was proposed be established for the 2018/19 municipal year. Resource-wise, it is recommended that only one working group be established at a time, and that at this meeting Members may wish to consider and express an interest in serving on a particular working group or groups.

#### Recommendations:

1. That Members consider and approve the Committee's proposed work programme for 2018/19.
2. That Members consider and approve the establishment of the three working groups proposed for 2018/19.
3. That Members express their interests in relation to the working group or groups on which they would like to serve.
