2021/22 CORPORATE PLAN	MARKERS OF SUCCESS DASHBOARD
------------------------	------------------------------

PRIORITIES	OUTCOMES	MARKERS OF SUCCESS	BASELINE	Lead	Qtr 1: Apr - Jun 2021	Comment / Progress achieved to date	Submitted Report	Qtr 2 : Jul - Sept 2021	Comment / Progress achieved to date	Submitted Report	Qtr 3 : Oct - Dec 2021	Comment / Progress achieved to date	Qtr 4 : Jan - Mar 2022	Comment / Progress achieved to date
	Overall Aim: I	nequalities are reduced and al	l potential maximised	I										
	<ol> <li>Creating an environment where businesses invest and everyone who wants a job can access one</li> </ol>	1. Businesses accessible to staff, suppliers and customers. Transport networks free from defects and congestion.	Free from defects Highway condition – as per 2019/20:	Deborah Hindson		% of safety inspections completed on time – 100% % of Cat 1 emergencies completed on time (via Tarmac) – 100%	Doament		Highway safety inspections completed on time = 100% Emergency defects attended to within 1 hour = 96.2% Number of Urgent traffic signal faults repaired within time by contractor (%) = 100% Number of Non-Urgent traffic signal faults repaired within time by contractor (%) = 99% Traffic signal inspections completed on time = 100%	Economic Qtr 2 - Dave Brown (MoS1).docx				
		2. A combination of low unemployment figures and high	Walsall Universal Credit Claimant Data (source: NOMIS March 2021) shows 15,380 claimants	Philippa Venables Philippa Venables		During the Quarter 1 period a total of 355 local people enrolled to our Walsall Works programme with a majority of these being Universal Benefit Claimants who have been displaced due to Covid ie on furlough, made redundant or have left education without an offer of employment.			Walsall Universal Credit Claimant Data (source: NOMIS October 2021) shows a reduction in claimants since the last quarter. The current UC claimant count has dropped to 12,640 claimants from 15,310 claimants in late March 2021.					
		vacancy figures	EMSI Walsall Unique Job Posting Analytics (source: EMSI April 2021) shows 5,512 unique vacancy postings			We support these clients by enrolling them to our Walsall Works programme which resulted in a total of 133 local people being supported to access employment, training, apprenticeships and paid work placements, as set out in the table in the attachment.			The volume of unique Walsall Job Postings identified at the start of this financial year, shows an increase in unique job postings to 5,512 vacancy postings					
ECONOMIC - Growth for all people, communities and business	2. Education, training and skills enable people to fulfil their personal development	3. Partnership working with businesses to offer apprenticeships, graduate programmes and training programmes for those wishing to re-enter the workforce	(source: BC Data Cube April 2021) shows 2186 apprentices (averaging 547/ctr) The total number of apprenticeships from Walsall who have started or participating in an apprenticeship are set out below across levels in the period August 2020- April 2021 were • Apprenticeships Starts – 1350 (1800/yr = averaging @ 450/qtr) • Apprenticeship Participation – 3590	supported with esert with additional h. (Source: Walsall		Apprenticeships on Programme: During the Quarter 1 period a total of 355 local people enrolled to our Walsall Works programme with a majority of these being Universal Benefit Claimants who have been displaced due to Covid ie on furlough, made redundant or have left education without an offer of employment. We found that a significant volume of these were young people who have left university and looking for their first employment, so they would not have been suitable to apply for apprenticeship vacancies. In the quarter of the 133 people supported into a positive outcome but only 5 of these were apprenticeships.	T T Document		During the Quarter 2 period a total of 567 local people enrolled to our Walsall Works programme with a majority of these being Universal Benefit Claimants who have been displaced due to Covid ie on furlough, made redundant or have left education without an offer of employment. In the quarter of the 200 people supported into a positive outcome but only 2 of these were into apprenticeships that were known to us. At the next quarter, a position for the last full academic year will be presented					
			Walsall Council Kickstart Gateway Profile (source: DWP April 2021) shows a profile of 150 work placements			Kickstart Placements – Walsall Council Gateway. As a Kickstart Gateway Organisation We have secured 150 work placement pledges from local private sector employers and in the first quarter we recruited approximately 40 placements into these roles. The current performance on our Gateway is set out in the attachment			In the second quarter we recruited young people into 40 placements into these roles.	Economic Qtr 2 - Philippa Venables.docx				
			New business registrations and closures (Nomis) Business Engagements (Source Evolutive CRM & Walsall Works Records)			Business Engagements (Source Evolutive CRM & Walsall Works Records). Business and Employer Engagements led by the Walsall Works team resulted in 71 new vacancies being sourced and promoted in the guarter. Business Engagement Numbers: Walsall Council's Business Growth Team have recorded 84 business engagements on a range of issues for O1 2021. The most common business engagement in O1 2021 was general Business Support (40), followed by Access to Finance (31) and Sites & Premises inquiries (8).			Business Engagements (Source Evolutive CRM & Walsall Works Records) Business and Employer Engagements led by the Walsall Works team resulted in 78 new vacancies being sourced and promoted in the quarter. Walsall Council's Business Growth Team logged 111 enquiries with 82 businesses during Q2 2021. Mid-September also saw another of the team's engagement days in Walsall Wood. The team continue to deliver the AIM for Gold programme and currently have 28 enrolled on the programme at least at P13 (three hours of support) stage. The latest news for the programme sees a 50% intervention rate for businesses interested in capital investment.					
		4. Increase in local supported employment and educational opportunities for residents who have additional needs. Numbers of folk from hard to reach groups helped into training	Number of residents supported with employability who present with additional needs i.e. poor health. (Source: Walsall Works, BC Impact or Kickstart programmes)			The BC Impact Programme continues to identify and support 16-29 years olds who present with complex backgrounds and barriers is health. The programme continues to provide dedicated support to young care leavers, young offenders, those with SEND, poor physical and mental health. A lifetime review of the data shows the average breakdown of participants as: •1.9% homeless •2.1% care leavers •3.0% ex offenders •10.3% lone parents •31.3% health barriers, of which one third were those with mental health issues			The Employment and Skills Team delivers on approx 70% of the performance targets for the <u>BC Impact programme</u> . Since the programme inception, 4436 enrolments which have resulted in a total of 2461 interventions and 1328 outcomes achieved (of which 55 young people have gone into apprenticeships. <b>16-25 year olds (total) Outcomes:</b> Education = 414 Employment = 540 Apprenticeship = 92 We have already achieved our targets for support key groups such are leavers but continue to service the needs by providing a dedicated Employment Leaving Care, Adult Social Care, Teenage Pregnancy Unit, Sure Start Centres, Refugee Migrant Centre and many other community organisations.					
	<ol> <li>People live a good quality of life and fee that they belong</li> </ol>	5. Increase in people accessing reablement opportunities. Less number of vulnerable residents who are in statutory services or having out of area placements	reablement during 20-21 = 1674 (averaging 419/qtr) (Note: we will include the previous year's outturn of 1165 as a further bench mark and caveat as 2020/21 may be an outlying year for this measure so use this figure as last	(Note: te previous year's outturn her bench mark and 21 may be an outlying year so use this figure as last so use this figure as last paul Gordon ontacts "signposted" during	n	441 people accessed reablement during quarter 1 The reablement review is taking place – and we are at the midpoint of the review	Doamest		350 people accessed reablement during quarter 2					
		6. Increase numbers of residents not requiring ongoing services and living independently in the community. Information and advice is accessible and signposting at the front door of community services	The number of contacts "signposted" during the year = 2497 (averaging 624/qtr)			703 contacts signposted during quarter 1			659 contacts signposted during quarter 2 Strength Based Practice using the three connections has now been rolled out across all the locality teams, LD and MH Connection 1 has had a significant impact in reducing the number of people moving onto support plans	People Q2 - Karen Jackson.docx				
PEOPLE have increased		7. Reduced numbers of residents having formal ASC assessments who are empowered to take control and informed choices with the correct information	The number of assessments completed that did not lead to a Care and Support Plan/provision of long term services = 2089 (averaging 522/qtr)			547 assessments/connections undertaken during quarter 1 that did not progress to Care plan.			569 assessments/connections undertaken during quarter 2 that did not progress to Care plan,					

health and can positively contribute to their communities	<ol> <li>People know what makes them healthy and they are encouraged to get support when they need it</li> </ol>	8. More people using active travel modes. Safe and convenient cycleways and footways	TRWM's most recent Covid-19 travel survey: • 65% of respondents from the West Midlands stated that they would like to become more physically active; • 28.3 of West Midlands' residents don't walk at leas once a month', • 22.4% of children in the West Midlands are either overweight or obese; • 4.80% of disabled people are inactive in the West Midlands Annual Travel survey figures for Walsall (academic year 2020/2021 at primary level): • Active Travel: Walsall 62% vs National 47%: • Walking figures: 60% vs 46% National; • Cycling 1% higher than National; • Car use 12% lower in Walsall than National; • Cover 22,000 primary school students participating in Walk to school week; • 35 schools have a 5 minute walk zone set up; • 5 Primary schools have a walking bus		- 240 children have received Bikeability level 1 & 2 training     - 12 secondary school students have received Bikeability level 3 training     - The number of residents engaging in Active Travel in Wasall has significantly increased during the last 12 months, as a result of the COVID-19 lockdown     - According to CRT, the average daily count of pedestrians and cyclists on Walsall' canals pre-lockdown was 89 compared to 226 post-lockdown – this an increase of 154%.J15			Better street projects have been delivered at Haws Rd and Harden Rd/Station Rd. A new shared cycleway on Lichfield Rd is 50% complete. The Walsall cycle hire scheme was promoted in the run up to the Women's Tour cycle event. The Council website contains up to date information on active travel projects: https://walsallwalking-and-cycling.commonplace.is/	Email		
	<ol> <li>Internal services deliver quality and adapt to meet the needs of customer facing services</li> </ol>	9. Smarter commissioning of service resulting in required outputs being delivered to realise quality outcomes	- Keeping within budget (OH / Physio / EAP contracts) - Agency completion rates - Evidence of adding Social Value (Agency contract)	Tony Meadows	We have been able to utilise spare capacity within an existing Children's Services contract for Motivational Interviewing training for the benefit of the Adult Social Care workforce thus saving time and ensuring both workforces are adopting the same methodology.	Document		The Third Party Spend Board has started to strategically focus on how the council can develop opportunities for a greater level of local spend. Working across the council it has evolved to embrace a commissioning approach that takes a view of future need in order to better inform both existing and future businesses of the opportunities to keep the Walsall £ in Walsall. ASC, as part of their refreshed transformation plan, are working with both internal and external partners in order to embed a strength and asset approach whereby people are able to access support and guidance within their own statutory services.			
		10. Internal Services are regularly reviewed and delivered within budget.	Proposed – Keeping within budget (HR)		Supporting the recruitment of apprentice social workers in Children's Services and Adults to ensure a pipeline of talent for the future As at June 2021 HR Budget was £25K underspent			R&T within budget for Qtr 2 monitoring – underspend £260k (R&T underspend of £180k in Qtr 1, which includes HR £25k underspend)	W		
INTERNAL Focus – All Council services are efficient and effective	6. Services are efficient and deliver value for money	11. Internal Services have staff and processes able to adapt to meet the emerging needs of customers	Quantities Data is not currently available. It is being prepared as part of the OneSource Closure Report and Implantation Lessons learnt process	Michele Leith / Shaun Darcy	The migration of Payroll function from Itrent System onto the integrated Enterprise Resource Platform (ERP) OneSource. This was completed as scheduled on 5 <sup>th</sup> July 2021. The standing up of the Admin and Business Support Function, with the transfer of core administrative and Business Support activities to the new teams. Successful Recruitment to two key Director roles - Director of HR,OD & Administration and Director of Transformation & Digital. Successful completion of ILM accreditation in Mediation by a number of HR officers	Doament		Implementation of Payroll in OneSource and training to staff to improve digital inclusion and utilise the system for payslip and overtime purposes and ironing out of bugs post Go Live. This is enabling the integration of staff/payroll data with budget/actuals/commitment data to improve the forecasting ability across the council for budget holders to view in real time once posted. This will also support the Business Insights work moving forward to be able to blend financial and non-financial data to better plan service delivery and likely need in the future.	Internal Q2 - Shaun Darcy & Michele Leith.doox		
		12. Online portals that allow self- service, payments and order tracking are in place for ease of use for all.	As part of the deployment of on-line portals/self service through the CRM are developed data from the relevant services will form the baseline. Services will monitor, measure and track data as part of an end to end process.	Elise Hopkins / Michelle Dudson	CRM phase 1 does not go live until September 2021 Discovery sessions have been held with wave 1 services in preparation for build out	Document		A strategic partner was appointed to help undertake CRM development. So far 80 processes have been reviewed, and approximately 50% are now in digital development. The first set of processes for clean and green and complaints are expected to go live for customer use before the end of 2021.	Internal Q2 - Elise Hopkins 51121.docx		
			<ul> <li>% or children who attend good and outstanding schools – as at 31st March 2021 (74%, compared with 82% regionally and 84% nationally) – target direction of the set.</li> </ul>	у	<ul> <li>% of children who attend good and outstanding schools – as at 30<sup>th</sup> June 2021 - 74%, – direction of travel - stayed the same</li> </ul>			<ul> <li>% of children who attend good and outstanding schools – as at 30/09/2021 - 74%, – direction of travel - stayed the same</li> </ul>			
	7. Children thrive emotionally, physically, mentally and feel they are achieving their potential	13. Children have access to high quality education and training opportunities and schools are more inclusive. Children and young people engage with education, fewer children are excluded	** of 16, 17 and 18 year olds who are not in Education, Employment and Training - as at 31st March 2021 (1.4% of young people are NEET and 1.5% of young people are unknown', giving a total of 2.9%, compared with 3.9% in the Black Country, 5.7% in the West Midlands and 5.5% nationally) – target direction of travel – to decrease;	g - as eople are pared Andrea Potts, n the Sharon Kelly, Sally Powe	<ul> <li>% of 16, 17 and 18 year olds who are not in Education, Employment and Training - as at 30<sup>th</sup> June 2021 - 1.4% of young people are NEET and 1.3% of young people are 'unknown', giving a total official figure of 2.6% (The overall percentage is lower that the two figures combined due to the rounding up of the individual NEET &amp; 'unknown' figures) – direction of travel - decreasing</li> </ul>			<ul> <li>% of 16, 17 and 18 year olds who are not in Education, Employment and Training - as at July 2021 - 1.4% of young people are NEET and 1.3% of young people are 'unknown', giving a total official figure of 2.7% (The overall percentage is lower that the two figures combined due to the rounding up of the individual NEET &amp; 'unknown' figures) – direction of travel – stable.</li> </ul>			
		and educational outcomes improve. • % of children excluded from school (fixed term and permanent) – Data is based on academic year with the baseline for the 2019-20 year and the 2020-21 academic year measured as part of the markers of success, (Primary – Fixed Term – 0.53% (142), Permanent – 0.04% (10), Secondary – Fixed Term – 2.63% (468), Permanent – 0.20% (36) – target direction of travel – to	d	% of children excluded from school (fixed period and permanent) – 2020-21 academic year up to 30 <sup>th</sup> June 2021 (Primary – Fixed Period – 0.28% (74), Permanent – 0.03% (8), Secondary – Fixed Period – 3.02% (551), Permanent – 0.19% (34)) – direction of travel – fixed period and permanent for Primary and permanent for secondary have reduced, however, fixed period for secondary has increased compared with 2019-20			% of children excluded from school (fixed period and permanent) – 2020-21 academic year - (Primary – Fixed Period – 0.32% (84), Permanent – 0.03% (8), Secondary – Fixed Period – 3.18% (581), Permanent – 0.20% (36)) – direction of travel – fixed period and permanent for Primary and have reduced, permanent for secondary has remained the same, however, fixed period for secondary has increased compared with 2019-20

		enable them to build resilience, are involved in developing their plans and	Number / Rate per 10,000 of children entering care – between 01/04/2020 and 31/03/2021, benchmarking data published in October (24.2 per 10,000 0-17 (167) compared to statistical peinthours, among			<ul> <li>Number / Rate per 10,000 of children entering care – between 01/07/2020 and 30/06/2021 – 21.6 per 10,000 0-17 (149) - direction of travel – decreasing</li> </ul>		Number / Rate per 10,000 of children entering care – between 01/10/2020 and 30/09/2021 – 23.3 per 10,000 0-17 (162) - direction of travel – decreasing			
		can provide regular feedback. More children and young people are supported in their family home, the response in meeting the needs of vulnerable adolescents is local and proactive with risks around exploitatio reduced and fewer young people ente the Criminal Justice system.	Sharon Sally R	Andrea Potts, Sharon Kelly, Sally Rowe, Colleen Male		<ul> <li>Number of children that go missing - between 01/07/2020 and 30/06/2021 - 305 - direction of travel – increasing</li> </ul>		Number of children that go missing - between 01/10/2020 and 30/09/2021- 299 - direction of travel - increasing. Each child that is reported as missing living in Walsall who the council has responsibility for is offered a return home interview. It should be noted that while the target for this indicator is for it to decrease, the 2020-21 out-turn included lockdown where fewer children went missing due to the unique circumstances of the pandemic. Therefore we did anticipate seeing some increases as restrictions were lifted. Every missing incidence is considered at a multi-agency Daily Exploitation Triage meeting and follow up action taken as appropriate			
			<ul> <li>Number of tirst time entrants into the criminal justice system - between 01/04/2020 and 31/03/2021, benchmarking data published in July (180 per 100,000 10 17 (53) compared to statistical peiphbours.</li> </ul>	g )-		Number of first time entrants into the criminal justice system - between 01/07/2020 and 30/06/2021 - 207 per 100,000 10-17 (61) - direction of travel – increasing		Number of first time entrants into the criminal justice system - between 01/10/2020 and 30/09/2021– <b>179.9 per 100,000 10-17 (54)</b> - <i>direction of travel – within target range</i> .			
	9. Housing meeting all people's needs - is	17. Less residents in statutory building based services	As at the end of May we had 850 clients in Long stay/Permanent placements	Karen	1	848 R & N Clients as at end of June 2021	N. N	835 R & N Clients as at end of September 2021	Communities Q2 -		
	affordable, safe and warm	18. Increase in residents who are accessing community voluntary sector opportunities	The number of contacts "signposted" during the year = 2497 of which a sub set relates to housing, but detail not held on systems.	laakaan		703 contacts signposted at quarter 1	Document	659 contacts signposted during quarter 2	Karen Jackson.docx		
COMMUNITIES are prospering and resilient with all housing needs met in safe and healthy places that build a strong sense of belonging and cohesion	10. People are proud of their vibrant town, districts and communities	19. Council and partners maintain open communication with all communities and engage in cultural awareness resulting in wide range and high quality cultural offers	Number of active volunteers that support cultural offers. Strength of VCS organisations involved in cultural work. Number of cultural events organised by VCS	Philippa Venables / Paul Gordon			COMMUNITES OLD MOSL9) QP 1 Reporting - 29.07	Despite the continuing impact of COVID-19 there have been many cultural activities that have happened on-line and a small number of physical activities. Whilst the Walsall for all team has been focused on supporting the Community Champions and vaccination bus initiative we have continued to organise COVID- 19 safe events. The COVID vaccination buses took part in over 150 deployments in community locations. Each deployment was supported by a community champions group. There were 9 sessions were community champions from across the borough came together to share best practice and common operational issues. Our largest housing Provider, WHG has enthusiastically adopted a resilient communities approach (open engagement). Feedback from their work will be included in the next quarter update.	Communities Q2 - Paul Gordon.docx		
		20. High quality, well maintained public realm and safe community spaces	Existing performance data is limited to outputs (e.g. cleaning frequency, number of volunteer litter picks, number of fly tips, etc). Figures to be confirmed. Outcome performance data for public realm quality is being developed: X (to be confirmed) community litter picks carried out. X% scheduled street cleans carried out. X fly tips cleared	Deborah Hindson		Walsall Community Litter Watch was the winner of the Keep Britain Tidy Community Engagement award. Development of Alloy system.	Document	A street scene strategy is being drafted and will be presented to Cabinet in December. Work is underway to set up the APSE land audit management system for performance reporting on environmental quality.	[Dave Brown /email]
