

Appendix 1 – progress report on implementation of recommendations following Scrutiny Survey

Recommendations	Progress
<p>The Member Learning and Development Programme is enhanced to include training for Members on financial scrutiny, scrutiny legislation, charring meetings and asking questions</p>	<p>Member L&D Team met and included requests in Member Development Programme for 2022/23.</p>
<p>Due to mixed comments in relation to the scrutiny of the council's budget setting process, the Scrutiny Overview Committee review the existing approach and consider how it could be improved</p>	<p>Proposal made to SOC 04.10.22</p>
<p>A recommendation tracker be developed to assist systematic follow up of recommendations made by overview and scrutiny committees to monitor progress on specific actions and information requested at meetings</p>	<p>Draft tracker presented and agreed by SOC on 07.02.21. Rolled out to all OSCs.</p>
<p>Further development of the scrutiny report template takes place to include model recommendations which encourage outcomes and avoid requesting that reports are noted</p>	<p>Draft recommendations completed. Democratic Services Officers working with report authors on implementation. Ongoing.</p>
