

WALSALL METROPOLITAN BOROUGH COUNCIL

PELSALL AND RUSHALL LOCAL NEIGHBOURHOOD PARTNERSHIP

THURSDAY 12 AUGUST 2004

TIME AND VENUE FOR FUTURE MEETINGS

Summary of Report

The purpose of the report is to enable Members of the Pelsall and Rushall Local Neighbourhood Partnership (LNP) to give consideration to the time and venue, within the LNP area, for their meetings.

Recommendations

Members of the Pelsall and Rushall LNP are asked to:-

- Agree to alternate meetings of the LNP between venues in Pelsall and Rushall (venues to be confirmed).

Financial Considerations. The financial cost of holding meetings of the LNP at venues within the LNP area will be met from existing budgets.

Legal Considerations. Meetings of the LNP will be open to the public. Notice of the meetings, therefore, needs to be posted at the proposed venues in accordance with the Local Government (Access to Information) Act, 1985.

Potential Venues

It is important for venues for the meetings of the LNP to be as accessible for as many people as possible across the LNP area. It would, therefore, be appropriate for Members to consider holding the meetings at different venues within the LNP area and for meetings to alternate between Pelsall and Rushall. Suitable venues within the LNP area will be identified in both Pelsall and Rushall. Venues need to be accessible by public transport, have car parking facilities and be accessible to the disabled.

The July meeting is being held at Manor Farm Community Association King George Crescent, Rushall. It is, therefore, suggested that, subject to confirmation of the availability of suitable venues, the meetings of the LNP alternate between Rushall and Pelsall as follows:-

20 July 2004	Manor Farm Community Association, Rushall
6 October 2004	Pelsall
10 January 2005	Rushall
4 April 2005	Pelsall

Time of meetings

In order to make the meetings accessible to all, Members may wish to consider the time they wish future meetings of the LNP to commence.
