A discussion was held around health care and the health services that are provided and what should be available.

Two projects proposals were suggested for submission under the LAA greenspaces funding.

Safer & Stronger CAG - 16th November 2006

The proposals for Lindrosa Road were presented to the CAG along with details of the process. The Lindrosa Road intervention is planned to be completed by March 2007.

The CAG received feedback from the meeting held with Superintendent Bruce Gilbert which was seen to be a positive response by the Police. A number of priority issues were also identified by the CAG members that they wanted the Police to action and report back on. An update of these issues will be provided at the next Safer and Stronger CAG in January 2007. The CAG were also introduced to the new Police Community Support Officers (PCSO's) that have been allocated to the area, the PCSO's will endeavour to attend future CAG meetings and ensure that they also feedback community concerns and issues.
