Preparation of the Forward Plan helps the Council to programme its work. The purpose of the Forward Plan is to give plenty of notice and an opportunity for consultation on the issues to be discussed. The Plan is updated in the middle of each month with the period of the Plan being rolled forward by one month and republished. Background papers are listed on each report submitted to the Cabinet and members of the public are entitled to see these documents unless they are confidential. The report also contains the name and telephone number of a contact officer. These details can also be found in the forward plan.

Meetings of the Cabinet are open to the public and take place in Conference Room 2 at the Council House, Walsall on a three weekly basis. Occasionally there are items included on the agenda which are confidential and for those items the public will be asked to leave the meeting.
