

BRIEFING NOTE

**TO: CHILDREN'S AND YOUNG PEOPLE SCRUTINY AND PERFORMANCE
PANEL**
DATE: 16 APRIL 2009

RE: CARRY OVER ITEMS

Purpose

To consider what issues and working groups should be recommended for continuation during 2009/10

Carry over items

As this is the last meeting of the 2008/09 municipal year it is prudent for all scrutiny and performance panels to consider what issues and working groups it would like to recommend the panel considers in 2009/10 once it has been reconstituted.

Suggested carry over items for the Children & Young Peoples Scrutiny and Performance Panel work programme for 2009/10 are:

1. Positive Activities Working Group
2. Property Service Working Group
3. Area Based Grants
4. Provision of Integrated Youth Services
5. Building Schools for the Future, updates at each meeting

If Members have any other suggestions for carry over items they are welcome to make these at the meeting.

Recommendations

That, subject to any comments that Members may wish to make, the carry forward items for 2009/10 be agreed
