

WALSALL PUBWATCH

22/05/2022

Ref: ACE COCKTAIL BAR, 9-11 LEICESTER STREET, WALSALL, WS1 1PT

Dear Recipient,

Walsall Pubwatch wish to put an Objection in against ACE COCKTAIL BAR's Application for a Premises Licence. For the following reasons...

- The Application falls under the CIP, it goes against most of the points that the Councils Cumulative Impact Assessment Highlights.
- The Town centre NTE is all-ready saturated with venues.
- Pubwatch Feels that another venue will only add to Crime and ASB.
- Pubwatch Members agree that they think this venue will bring in a different audience, that will clash with the current NTE Community, in a Bad way therefore possibly increasing ASB.

Yours sincerely,

Daniel Morris
Walsall Pubwatch
