

BRIEFING NOTE

TO: REGENERATION SCRUTINY AND PERFORMANCE PANEL
DATE: 31 JULY 2008

**RE: REGENERATION SCRUTINY AND PERFORMANCE PANEL WORK
PROGRAMME 2008/09**

Purpose

To inform Members of the results of the timetabling exercise undertaken with the issues that were identified for consideration at the last meeting of the Panel.

Report

At its meeting on 19 June 2008 the Panel considered which issues it would like to consider as items during 2008/09.

Following the identification of the items the Panel resolved for the Chairman to work with Officers to timetable the issues identified so that the Panel could consider the issues at the most opportune time.

A copy of the proposed work programme is attached at appendix 1 to the report.

It is important to note that the work programme is indicative and subject to change. Panel Members are able to suggest items for the work programme at any time.

Recommendations

That, subject to any comments that Members may wish to make, the Regeneration Scrutiny and Performance Panel Work Programme for 2008/09 be noted.
