

# Walsall Family Hubs

Supporting families to live happier lives

**Walsall's four Family Hubs are based in the heart of our local communities. They provide a welcoming space, offering help and support for a range of children's services. This includes face-to-face support, a virtual offer and outreach services. The services and support are aimed at children aged 0-19 (0 to 24 for children and young people with special educational needs and disabilities), their parents and carers.**

We also have an additional 10 'community spokes' based in voluntary and community buildings across the borough. These offer a range of local community activities and services for families, children and young people.

## Services that form part of our Family Hubs and spokes are:

Benefits & Financial support

Child Development

Early Help & Children's Social Care

Employment & Training

Housing

Infant Feeding support

Midwives & Health Visiting

Speech & Language

Stay & Plays

Parenting support

Police
