1. Context

- 1.1 Following the change to the Council's Constitution in May 2013, Area Panels now have the responsibility for approving any project funding applications that are received through Area Partnerships.
- 1.2 This report sets out any project applications that have been carried forward from the previous financial year, projects that have been approved under urgency by Area Managers, in consultation with the Area Chair and Vice Chair and relevant Ward Councillors) and those projects that are being put forward for consideration by the Area Panel (attached at Appendix 1).
- 1.3 Any project applications received by the Area Partnership team, will be assessed against a set of criteria (the delivery of the Area Community Plan and The Walsall Plan) before being put forward to the Area Panel for consideration. Only valid applications that fulfil the criteria will be put to the Area Panel for decision.
- 1.4 Any projects that do not meet the criteria will be referred back to the project applicant for further information or a re-submission.
